THE POWER DAM

Five Citizens of Pine City Accompany R. P. Allen to the Proposed Site of the New Power Dam.

On Tuesday a party consisting of H. W. Harte, F. E. Smith, A. R. W. Olsen, F. A. Johnson, and W. P. Gottry accompanied R. P. Allen, one of the promotors of the new electric power dam, and drove 7 miles east of this place and viewed the site. There is no doubt but that the site is a model one for a dam, the banks being from twenty to twenty-five feet high and in the middle of the river is an island on which the center of the dam will rest; there will be an apron for an overflow, so the waste water can escape.

The flume, which is to be 1000 feet long with a fall of 5½ feet, will furnish three times the amount of power that Mr. Allen is using at the present time.

The dam will be 15 feet high with a foundation of sufficient strength to raise it to 25 feet at any time. It will be V shaped and built of concrete with the foundation resting on a natural bed of solid rock. The power house will be built on the north bank of Snake river and the water from the flume will flow into a natural outlet.

There is no doubt but what this enterprise will be of great benefit to Pine City and the surrounding country. There is no reason why every farmer in this part of the county should not be lighting his home with the power that has been going to waste for years.

The road on which Mr. Allen will run the line to the several cities and villages has not yet been determined but will be in the near future.

Pine County S. S. Association Meeting.

The Pine County Sunday School Association met at the Presbyterian church in Hinckley at the call of the president, to further the interests of the work, and especially to elect officers for the north and south district, into which the county was divided by the meeting of the officers at Bruno. After the statement by the president of the object of the meeting and a few preliminary words of discussion the following officers were elected:

North District—President, Mrs. I Conklin; vice president, F. Rudkin; secretary, Miss Mary Connor, treasurer, John Addington; superintendent of temperance department, Wm. Anderson.

South District—President, Allen Collette; vice president, Miss Riley; secretary, Miss A. Hoagland; treasurer, Mr. Hammer; superintendent of temperance department, Miss Lizzie Hamlin.

Seven Year Old Child Left Farm.

Clara Johnson, the seven year old daughter of Gust Johnson, who resides at Sturgeon Lake, had the good fortune to be left, by the last will of Louis Peterson, an old bachelor, of that place, who died on the 2nd, day of last December, a farm consisting of 152 acres, on which is a good house and outbuildings. The farm at the very lowest estimation is worth over two thousand dollars. Mr. Peters on was one of Pine counties oldest residents, and ever since the little girl was born they were the best of friends, and at his death he made her his heir, he having no relatives.

We understand that according th existing conditions either Prof. Olesen or Miss Brotherton, a teacher in the third grade will leave before Monday.

THE COUNTY FAIR

The Meeting of the County Fair Held Last Saturday at Which Time the Officers Made Their Report.

The meeting called for those interested in the Pine County Fair, which was held in the village hall last Saturday afternoon, was not very well attended on account of the extreme cold weather. The report of the secretary and treasurer show that the Fair Association is in good financial standing by the figures that follow:

Total receipts for 1908		$1,142.10
Disbursements	$ 208.35	
Permanent improvements	49.75	
Purses	152.00	
Premiums paid	634.10	
Total	$1,033 20	$1,034.20
Balance on hand		$ 108.90

The fair, as we said last week, is a Pine county institution, and it should be the duty of every citizen in the county to take pride in making it one of the best county fairs in the state. As the foregoing statement will show, the association has cash on hand; they own 13 acres of land that includes the base ball grounds and race track, that is paid for, and a movement is now on foot to purchase the ground where the buildings stand and the whole of the river front from the railroad right of way to beyond where the cattle cattle sheds are located. This would be a move in the right direction, as the association does not own ground enough, and if this strip of land was sold to any other parties it would spoil the looks and convenience of the fair grounds. If you have not already secured stock in Pine County Agricultural Society, take it out at once, and thus help the society to raise the necessary cash to purchase the additional land and make other needed improvements.

Midway Ministerial Association.

The February session of the Ministerial Association was held last Monday at Hinckley, in the new M. E. church. D. E. Jackson and Rev. Fritz, of Hinckley, A. J. Hayes, of Rush City, Herbert Parish, of North Branch, J. A. Johnston, of Sandstone, and J. J. Wittrup, O. W. Fisher and J. A. Paddock, of Pine City, were those responding to roll call. The program consisted of a paper by D. E. Jackson, who took as his subject "The Preacher as a Soul-Winner." A spirited and helpful discussion followed, the general theme being, "How shall we exalt or magnify the ministry?" The next meeting of the association will be held at Rush City.

FARMERS' STORE

The Vice-President of the Pine County Farmers' Union Co-Operative Store Talks to the Farmer

In the arts, as in the trades or professions, that part in which we must apply ourselves with the greatest care, is beyond a doubt to get a proper start. The results which we have obtained the past month, is the fruit of both experience and deep thought. What labor has it cost us to get together and organize properly, but on the other hand what a recompense we have, in receiving the benefits of our great association? We are proud in our turn to pay this tribute to the Pine County Farmers' Union Co-Operative Mercantile Co., and whilst we cannot pretend to have reached the highest pitch of perfection, yet we feel sure we have realized an important progress toward the betterment of this agricultural community. Our name Co-operative means "working together" in harmony. We intend to help you, and want you to help us, for if you want to save money, if you want to make your dollars go the farthest, if you want to get the most value possible in what you buy, if you want to secure the largest return for your labor, if you want to buy where you can buy the cheapest, quality considered, then my friend, you should become a member of our association, you wrong yourself if you do not. If you want to save your hard earned cash by cutting out unnecessary middl men's profits, if you are a poor man, or in moderate circumstances, if the income of your farm is less than $3,000 a year, then you are the man for whose benefit our association was established, and you should join our ranks immediately and work with us, helping to reduce prices on the necessaries of life; you should endeavor to omit middle men's profits, and receive the full and equitable prices on all the things you have to sell.

The experience of others is as a lamp guiding us in the affairs of life. Co-operative societies are working successfully elsewhere, why should they not here? In Europe the Co-operative idea has already been most successfully developed, especially in England and Germany where the marvelous growth of Co-operative associations has attracted world-wide attention. Their success has been without precedent. In England they have attained huge dimensions, with buyers in all parts of the world. The total amount of business transacted during the first thirty years of their existence in England reached the enormous sum of $525,304,550, while the total net profit was $6,731,725, and the bulk of this profit, my friends, went right back into the pockets of British working men.

What Co-operation has done for England it will do for us also in America, it being every man's duty, to himself, to his family, to his business to buy where he can buy cheapest, to spend his dollar where it will bring him the biggest value in the goods he buys and in so doing make the society an established fact and as sound financially as the Rock of Gibraltar. Jay Gould said, "Many a man has spent his declining years in want, or hard labor because he was a careless buyer." It is to those who recognize these truths, to the instincts of what, I sincerely hope to be a great majority of farmers that this appeal is directed.

We are not infallible, and may commit errors as do all business houses, and when this occurs, which is always a very regrettable occurence, you will always find us willing to correct them. We ask therefore that you inform the Manager or Directors. It is an impossibility to get a competent clairvoyant capable of reading your minds, and unless you bring your grievances under the form of a complaint, we may ignore that any difference exists between us.

JOSEPH THIRY,
Vice President, Pine County Farmers' Union Co-Operative Mercantile Co.

Had learned some wisdom, born of strife.
Sez he, "When ye buy a winder, er lay a new floor,
Er repair yer house, er buy a new door,
Buy where ye c'n take a look at th' goods,
(There's th' best to be had in this neck o' the woods)
Would ye buy a critter sight unseen,
Of a cat'log house, an' send your long green
To them fellers wot don't care a cuss for you,

PE-RU-NA TONIC FOR COUGHS, COLDS, CATARRH.

JOSEPH HALL CHASE

Peruna Drug Co., Columbus, Ohio.
Gentlemen: I have used Peruna and find that it cannot be equaled as a tonic, as well as a cure for coughs, colds and catarrh.
You are authorized to use my photo with testimonial in any publication.
Joseph H. Chase,
804 Tenth St., Washington, D. C.

Cold and La Grippe

Mr. C. Happy, Hardin, Ray Co., Mo., writes: "I can safely recommend Peruna as a remedy that will cure all catarrhal troubles.

"It was of great benefit to me, as it cured me of catarrh of the throat, and I took a very bad cold and had la grippe last February. It settled in my throat and lungs. I took three bottles of Peruna and it cured me.

"I highly recommend it to all who are sick, and I am glad to add my endorsement to that of others."

Pe-ru-na for Colds

Mr. L. Clifford Figg, Jr., 2929 East Marshall St., Richmond, Va., writes that when he gets a cold he takes Peruna, and it soon drives it out of his system. For several years he was not entirely well, but Peruna completely cured him.

People who object to liquid medicines can now secure Peruna tablets.

CALLS LABOR MEET

Commissioner Keefe Summons Leaders to Capital.

TO AID THE WORKINGMAN

Samuel Gompers Is Among Those Invited to Attend Council February 10 for the Promotion of Welfare of Nation's Toilers.

Washington, Feb. 1.—Invitations have been extended to more than a score of prominent labor leaders in all parts of the country, asking them to participate in the proposed "council of labor" to be held on February 10 at the department of commerce and labor, when questions of vital moment to the wage-earners of the country will be discussed.

It is the earnest hope of those who will attend this conference that some plan or plans may be evolved which will promote the welfare of the wage-workers. The subjects with which the conference will be called upon to deal are indicated in the invitations which have been addressed to the heads of the principal labor organizations by Daniel J. Keefe, commissioner general of immigration, who was designated by Secretary Straus as one of the committee on arrangements.

To Discuss Unemployed Question.

The problem of the unemployed, and how and to what extent the division of information, in the department of commerce and labor, can be most helpful to that class, especially during periods of depression, is perhaps of chief significance.

It is declared that immigration figures indicate that much of the immigrant influx to the United States is due to misleading information as to labor conditions here, and this will form one of the chief topics to be threshed out. The conference also will consider "how the Nobel peace prize which President Roosevelt devoted to the foundation for the promotion of industrial peace can be made most effective."

Other questions which will figure in the council's deliberations will be as to the advisability of recommendations for legislation extending the steamboat inspection service to include the inspection of locomotive boilers on interstate railroads, and how the division of information of the department of commerce and labor may be administered for the best interest of the wage-earners generally.

Gompers Gets Invitation.

The invitations have been sent to the following: Samuel Gompers, president of the American Federation of Labor; W. G. Lee, Cleveland, O., grand master of the Brotherhood of Railroad Trainmen; Warren S. Stone, Cleveland, O., grand chief Brotherhood of Locomotive Engineers; W. S. Carter of Peoria, Ill., grand master of Brotherhood of Locomotive Firemen; A. B. Garretson of Cedar Rapids, Ia., grand chief Order of Railway Conductors; Frank T. Hawley, Buffalo, N. Y., president Switchmen's Union of North America; W. F. Yates of New York city, president Marine Engineers' Beneficial association; Andrew Furuseth of San Francisco, president Seamen's International union; T. J. Dolan, Chicago, general secretary International Association of Steam Shovel and Dredge Men; T. L. Lewis of Indianapolis, Ind., president United Mine Workers; George W. Perkins, Chicago, president Cigar Makers' International union; T. V. O'Connor of Detroit, Mich., president International Longshoremen's association; James M. Lynch of Indianapolis, Ind., president International Typographical union; W. D. Mahon of Detroit, Mich., president Amalgamated Association Street Railway Employes; Timothy Healy of New York city, president International Brotherhood of Stationary Firemen, and others.

FLORIDA TOWN WIPED OUT.

Milton's Entire Business Section Is Destroyed by Flames.

Pensacola, Fla., Feb. 1.—The town of Milton, 30 miles east of Pensacola, was practically wiped off the map by fire yesterday, the entire business section and several residences being destroyed. The total loss is estimated at between $150,000 and $200,000.

The two banks, the city hall, Waldorf hotel, Santa Rosa Star building, two livery stables and a dozen stores were destroyed. The building of the First National bank has just been completed at a cost of $35,000. A strong northwest wind fanned the flames, and soon the business houses had been consumed. The fire was making progress in the residence district when a special train with Pensacola fire fighters reached the scene.

Steamer Wrecked; Fifty Perish.

Melbourne, Feb. 2.—British steamer Clan Ranald is a total wreck near Edithburg, and the captain and 46 of the crew, most of whom were Asiatics, were drowned. The vessel was drifting ashore last night but sank before boats could reach her. Eighteen members of the crew, including 12 coolies, were picked up.

Liquor Bill in Congress.

Washington, Feb. 1.—Representative Langley of Kentucky introduced to-day the interstate liquor shipment bill prepared by the Anti-Saloon League of America to obviate the objection of unconstitutionality urged against the Littlefield bill which was claimed by its opponents to be unconstitutional.

FINE RECIPE FOR COLDS

Mix half ounce of Concentrated pine compound with two ounces of glycerine and a half pint of good whiskey.

This simple mixture is to be used in doses of a teaspoonful to a tablespoonful four times a day. The bottle should be well shaken each time.

Any druggist can supply the ingredients and it can be mixed at home.

The Concentrated pine is a pine product refined for medical use. It comes only in half ounce bottles, each enclosed in a round case, which is air-tight and retains all the original strength in the fluid, but be sure it is labeled "Concentrated" in order to get the genuine article.

Laughter in the Court.

An old plasterer is called upon to give evidence for the plaintiff. Counsel for the defense tries to bully him. "Have you ever been in prison?" "Yes, twice." "Ah! how long the first time?" "One whole afternoon." "What! And the second time?" "Only one hour." "And pray what offense had you committed to deserve so small a punishment?" "I was sent to prison to whitewash a cell to accommodate a lawyer who had cheated one of his clients."

AWFUL GRAVEL ATTACKS

Cured by Doan's Kidney Pills After Years of Suffering.

F. A. Rippy, Depot Ave., Gallatin, Tenn., says: "Fifteen years ago kidney disease attacked me. The pain in my back was so agonizing I finally had to give up work. Then came terrible attacks of gravel with acute pain and passages of blood. In all I passed 25 stones, some as large as a bean. Nine years of this ran me down to a state of continual weakness, and I thought I never would be better until I began using Doan's Kidney Pills. The improvement was rapid, and since using four boxes I am cured and have never had any return of the trouble."

THE RETRACTION WAS WORSE.

Second Statement "Piled Up the Agony" on Rival Editor.

District Attorney Heney of San Francisco, a short time after his wounding, discussed with a reporter at his bedside one of his statements about the San Francisco boodlers.

"They expect me to retract that statement, do they?" he said, grimly. "Well, if I did retract it, my retraction would be like the Tombstone editor's.

"He, you know, printed a story to the effect that a rival editor's father had served 37 years in jail. Pressure was brought to bear on him, and finally he agreed to retract that statement. In his retraction he said:

"'We find that we were mistaken when we said in last week's issue that the Clarion editor's papa had passed 37 summers in the penitentiary. All efforts of friends to have his sentence commuted to life imprisonment failed, and the old man, as a matter of fact, was hung.'"

Woman to Conduct Large Estate.

Mrs. Jennie L. Doane of Brockton, Mass., has been appointed to administer the half million dollar estate of the late R. N. Packard and also to have complete control of his large shoe factory. Mr. Packard died suddenly without making a will. His heirs were a brother and two sisters, none of whom knew anything about his business. Mrs. Doane had been in the employ of Mr. Packard for a number of years and he had often spoken of her ability to his relatives, declaring that she had more brains than any two men of his acquaintance. For that reason his heirs asked to have her appointed and put in full charge of his business.

Cause for Complaint.

Jones, the dairyman, loved his little bouts occasionally, and at such times celebrated riotously. He was prevailed upon to sign the pledge, and this piece of news was given wide publicity. But in a few weeks Jones turned upon his temperance friends and again sought old-time friends and acquaintances.

"The idea!" grieved Jones, as he told the waiter to duplicate an order. "Me driving a milk wagon, and those fellows advertising that I am on the water wagon!"—Judge.

DIDN'T KNOW

Coffee Was the Cause.

Many daily habits, particularly of eating and drinking, are formed by following our elders.

In this way ill health is often fastened upon children. A Ga. lady says:

"I had been allowed to drink coffee ever since I could remember, but even as a child I had a weak stomach, which frequently refused to retain food.

"The taste of coffee was in my mouth all the time and was, as I found out later, the cause of the stomach rebelling against food.

"I now see that it was only from following the example of my elders that I formed and continued the miserable habit of drinking coffee. My digestion remained poor, nerves unstrung, frequent headache, and yet I did not suspect the true cause.

"Another trouble was a bad, muddy complexion for which I spent time and money for creams, massaging, etc., without any results.

"After I was married I was asked to try Postum, and would you believe it, I, an old coffee toper, took to Postum from the very first. We made it right —according to directions on the pkg., and it had a most delicate flavor, and I at once quit coffee, with the happiest results.

"I now have a perfectly clear, smooth skin, fine digestion and haven't had a headache in over two years."

"There's a Reason."

NEWS OF MINNESOTA.

Gymnasium for Carleton.

Northfield.—Carleton college is to have a new men's gymnasium. The trustees announced at the chapel service that Mr. and Mrs. F. B. Hill of Northfield have made a gift of $35,000 for that purpose, provided $20,000 would be secured for its maintenance. This obligation the trustees have already assumed, one of their number, Myron Skinner of Northfield, himself pledging $1,000 for this purpose.

For the securing of the endowment a committee was appointed, consisting of Messrs. Scriver and Jepson of Minneapolis, Dr. Ogden and Mr. Nason of St. Paul and Mayor Goodhue of Northfield. Mr. Hill is to act on the building committee, with Messrs. Jones of Minneapolis, Mr. Olson, dean of the school of agriculture, and Messrs. Page and Nutting of Northfield.

Work is to begin on the new building just as soon as weather conditions permit, and it is expected that it will be ready for occupation early next fall. Plans will be ready in a short time, and it is understood that the building will be situated between Willis and Williams hall on the campus.

Think Danger Signal Joke.

Austin.—Miss Lizzie Kelly, who was injured by the Chicago Great Western train while walking the track to town Sunday, died at St. Olav's hospital Friday. Her companion, Mamie O'Leary, died soon after being taken to the hosiptal Sunday.

The girls live a little distance out of town and they were coming to the hospital to see the father of Lizzie Kelly, who has been under treatment at the hospital for some time. Their attention was directed to the crew of a Milwaukee train, the waving of whom they took to be in the spirit of jest and they were returning it as such. The Chicago Great Western engineer took the waving of the girls to mean that they heard his continuous signaling and that they would get off.

The girls belong to two families, formerly consisting of eight people, who are related, and who have been living in two rooms in the vicinity of the old brick yards.

Creamery Man Ends Life.

Caledonia.—John H. Gaare, a well-known creamery man of Spring Grove, committed suicide on Wednesday by hanging himself in the haymow of his barn. His only child, a girl of 7 years old, discovered him first and called a neighbor, but he then was dead and evidently had been dead several hours.

His motive for committing this tragic act is a mystery, as he was in good health, sober, good financial circumstances and family surroundings apparently happy. He had been prominent in the creamery business in this county for a number of years until two months ago, when he disposed of his interests.

New Postoffice Site Located.

Moorhead.—The United States treasury department has selected the P. H. Lamb corner at Sixth street and First avenue south as the site for the new government building in this city. The site has a frontage of 100 feet on Sixth street, and faces the public library. The government pays $4,900 for the property, $5,000 having been appropriated by congress for the purpose, and it is expected that the present congress will make an appropriation for a building.

Fire and Panic at Show.

Spring Valley.—Fire last night at the Auditorium, starting in the moving picture apparatus of Verne Caswell, damaged his outfit about $400, and the building owned by Burdette Thayer, a member of the legislature about $75. In the scramble by the audience to escape from the building, Mrs. Louie Alberts was thrown to the floor and suffered serious injuries, as did also one or two small children.

Case of the Governor's Wife.

Rochester.—Mrs. John A. Johnson, wife of the governor, consulted with physicians here yesterday as to a possible surgical operation at St. Mary's hospital. She is staying at the home of John Sullivan, the guest of Miss Margaret Sullivan. No decision has yet been reached by the doctors as to Mrs. Johnson's case.

NEWS NOTES.

Minneapolis.—One of the oldest residents of Minneapolis died Saturday when Isaac Skoll passed away from an attack of acute bronchitis. The aged man would have been 100 years of age had he lived until next October.

Of the new melodramatic plays of this season's vintage, none have been more successful or have been more elaborately staged than "Lucky Jim," which will be seen at the Bijou opera house, Minneapolis, the week of January 31, with young Joseph Stanley in the star role. Stanley himself is part author of the play, his collaborator being William C. Beckwith.

Minneapolis.—Rev. P. Sjoblom, for nearly 25 years president of the Minnesota conference of Augustana synod and one of the oldest of the Swedish Lutheran clergymen in the United States, died Saturday morning at the residence of his daughter, Mrs. Ida S. Dearborn, 2221 Portland avenue He would have been 75 years old next March, had he lived.

Willmar.—Robbers entered the post office at New London Friday night, blew the safe and secured $300 and some stamps. They stole a horse at Green Lake Mills and got away.

All Who Would Enjoy

good health, with its blessings, must understand, quite clearly, that it involves the question of right living with all the term implies. With proper knowledge of what is best, each hour of recreation, of enjoyment, of contemplation and of effort may be made to contribute to living aright. Then the use of medicines may be dispensed with to advantage, but under ordinary conditions in many instances a simple, wholesome remedy may be invaluable if taken at the proper time and the California Fig Syrup Co. holds that it is alike important to present the subject truthfully and to supply the one perfect laxative to those desiring it.

Consequently, the Company's Syrup of Figs and Elixir of Senna gives general satisfaction. To get its beneficial effects buy the genuine, manufactured by the California Fig Syrup Co. only, and for sale by all leading druggists.

Eczema Made Hands and Feet Swell, Peel and Get Raw—Arms Affected, Too—Gave Up All Hope of Cure.

Quickly Cured by Cuticura.

"I suffered from eczema on my hands, arms and feet for about twelve years, my hands and feet would swell, sweat and itch, then would become callous and get very dry, then peel off and get raw. I tried most every kind of salve and ointment without success. I tried several doctors, but at last gave up thinking there was a cure for eczema. A friend of mine insisted on my trying the Cuticura Remedies, but I did not give them a trial until I got so bad that I had to do something. I secured a set and by the time they were used I could see a vast improvement and my hands and feet were healed up in no time I have had no trouble since. Charles T. Why Old Man Potts Regretted Giving Bill College Education.

"Well," observed old man Potts, "I've spent a heap of money on my boy Bill's education, more'n $900 jest to see him through Yale. And I ain't through yet. It shorely makes me sore to think of the money I'm wastin' on a boy who ain't got as much sense now as he had before he went to college."

"What's the matter, father?" asked Mrs. Potts. "Mebbe you're a little hard on Bill."

"No, I ain't, Mary," answered the old man. "Jest to show you—a little while ago I says to him I thinks it was going to rain to-morrow. What fool answer d'ye suppose he made me?"

"I'm sure I don't know, father."

Willing to Take a Chance.

The other evening a particularly woe-begone and souseful looking person stopped James J. Buckley on East Sixth street.

"Gimme a dime for a bed, won't you, mister?" asked the stranger in that half whisper they always use.

Buckley looked at him for a minute thoughtfully. "Well," says he, seriously, "bring the bed around and if I think it's worth the price I'll give you a dime for it, of course."—Cleveland Plain Dealer.

Camphor as Medicine.

As a medicine camphor is invaluable if used judiciously. If six or ten drops are taken on a lump of sugar when sneezing starts, a bad cold in the head can often be checked. This dose should not be repeated closer than an hour apart. Be sure that it agrees with you.

EXTRAORDINARY INCREASE IN FARM LANDS.

"SOUTHERN ALBERTA IS A MIGHTY GOOD COUNTRY."

No stronger or better evidence can be given of the merits of a country than that which comes from the testimony of the settler who has determined to succeed. This is why we reproduce the following letter, which speaks for itself. These people were induced to go to Western Canada through the solicitation of a Canadian Government agent, who secured for them the low railway rates.

"Carmangay, Alta., Canada, 12-15-'08.

"Mr. C. J. Broughton, Canadian Government Agency, 135 Adams Street, Chicago: We had audacity enough to tackle the proposition of buying four sections of land in Southern Alberta, thirty miles east of Clairsholm and heading up on the Little Bow, and our two boys each got a homestead adjoining. We fenced three sections and the two homesteads, and built a house, barn, corrals and granary, and have since enlarged some of these buildings. We have broken 200 acres of land, which has been sowed to oats and wheat. During the severe winter of two years ago the winter wheat killed out somewhat, and our crop yielded only ten bushels to the acre, but the spring wheat went 24 bushels to the acre. In this country we must be prepared for storms and cold, at times 20 to 30 below zero, yet on the whole the winters are mild; and while there are exceptional crops, it is fair to say that the average farmer can depend on having a yield in average years of from 20 to 25 bushels to the acre for spring wheat; and winter wheat in our immediate neighborhood yields from 25 to 30 bushels to the acre on the average.

We have now quite a bunch of horses, over 50 in all, about 350 sheep, after having sold 140 for mutton this fall. We have 20 head of pure bred registered Shropshire, which are worth $20 each. The average price received for mutton sheep was $5.00 and a little over. Pork brings 5 and 6 cents a pound. We have about 30 head of cattle on our ranch now, and last winter they picked their entire living from our pasture, running to the straw stacks for shelter at night.

"The increase of land values has been extraordinary. Our land four years ago cost us a little less than $6.00 an acre. We have sold one section for $15.00, but we would not sell any more for less than $25.00 per acre, as we expect the railroad within four miles of our ranch within the next 18 months. Southern Alberta of Western Canada is a mighty good country for any man or woman who loves outdoor life, and who wants to get good returns for their labor and investment.

"We have been pleased with our treatment from the Canadian Government, and can heartily commend Southern Alberta as a splendid country in which to locate.

"Yours very truly,

(Signed)

Ask Her This Question

"Do you know of any woman who ever received any benefit from taking Lydia E. Pinkham's Vegetable Compound?"

If any woman who is suffering with any ailment peculiar to her sex will ask her neighbors this question, she will be surprised at the result. There is hardly a community in this country where women cannot be found who have been restored to health by this famous old remedy, made exclusively from a simple formula of roots and herbs.

During the past 30 years we have published thousands of letters from these grateful women who have been cured by **Lydia E. Pinkham's Vegetable Compound,** and never in all that time have we published a testimonial without the writer's special permission. Never have we knowingly published a testimonial that was not truthful and genuine. Here is one just received a few days ago. If anyone doubts that this is a true and honest statement of a woman's experience with Lydia E. Pinkham's Vegetable Compound write and ask her.

Houston, Texas.—"When I first began taking Lydia E. Pinkham's Vegetable Compound I was a total wreck. I had been sick for three years with female troubles, chronic dyspepsia, and a liver trouble. I had tried several doctor's medicines, but nothing did me any good.

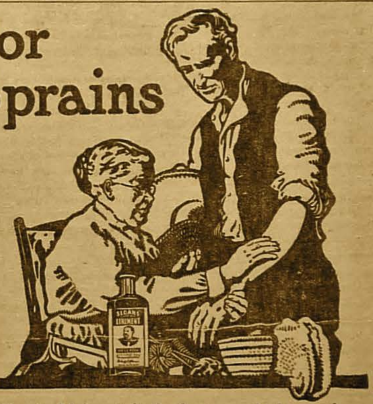
"For three years I lived on medicines and thought I would never get well, when I read an advertisment of Lydia E. Pinkham's Vegetable Compound, and was advised to try it.

"My husband got me one bottle of the Compound, and it did me so much good I continued its use. I am now a well woman and enjoy the best of health.

"I advise all women suffering from such troubles to give Lydia E. Pinkham's Vegetable Compound a trial. They won't regret it, for it will surely cure you."—Mrs. Bessie L. Hicks, 819 Cleveland St., Houston.

Any woman who is sick and suffering is foolish surely not to give such a medicine as this a trial. Why should it not do her as much good as it did Mrs. Hicks.

For Sprains



Sloan's Liniment is the best remedy for sprains and bruises.

It quiets the pain at once, and can be applied to the tenderest part without hurting because it doesn't need to be rubbed—all you have to do is to lay it on lightly. It is a powerful preparation and penetrates instantly—relieves any inflammation and congestion, and reduces the swelling.

Sloan's Liniment

is an excellent antiseptic and germ killer—heals cuts, burns, wounds and contusions, and will draw the poison from sting of poisonous insects.

Price, 25c., 50c., and $1.00.

HUSTLETOWN

Mrs. Millie Stone was a Pine City visitor Thursday.

The Ladies' Aid met with Mrs Clarissa Bell last Thursday.

Mrs. John MacAdam visited at the Henry Davis home Thursday.

The Olson Bros. are at Meadow Lawn this week, sawing wood.

Mrs. R. E. Hamlin visited her mother, Mrs. P. Berkey, Tuesday.

Frank Vangaal and Will Olson were county seat visitors Thursday.

A good crowd attended the Epworth League here last Sunday evening.

Don't forget the debate at the school house next Tuesday evening. Everybody invited.

Aca Scofield and wife, of the Lawn, were guests of the J. W. Collette family Sunday.

Mrs. Lindsey, of New York, is here for an extended visit with her sister, Mrs. J. B. Collette.

Chas. Stone is home from the hospital at St. Paul, where he has been for the past three weeks, receiving medical treatment.

The attendance at school was not very large Friday, owing to the blizzard, which was raging throughout the day. Only eight pupils were present.

Several men were at work Tuesday, surveying a road across the big swamp east of D. L. Whitehouse's farm—the Dr. Pine road. William Buckley, of Rock Lake, acted as surveyor.

MEADOW LAWN.—(Special)

Mrs. M. K. Smith drove in to Pine City Tuesday.

Stephen Smith transacted business at Pine City Monday.

Quite a crowd attended the spelling school at the school house, Tuesday evening.

Mr. and Mrs. Asa Scofield's baby has been quite sick this week, but is some better now.

Those who have employed the Olson Bros' wood saw this week are M. T. Lahart, Aca Scofield, Will Scofield and N. J. Edridge.

Ole Lyseth and Allen Scofield returned from the woods near Bruno Wednesday, at which place they have been for about six weeks.

Chas. Purdy and Walter Cutler are busy cutting and skidding logs which they intend to haul to get lumber with which to build their new houses the coming spring.

M. K. Smith and R. E. Hamlin were down to Hustletown, helping to survey the Dr. Pine road across the big swamp, Tuesday and Wednesday.

Allie Smith had the misfortune to lose a horse one day last week. The animal broke its leg while being driven home from the swamp. This makes the second horse he has lost this winter.

Among those who visited the county seat on Thursday of last week were Elmer Smith, Chas. Dile, Frank Purdy, L. L. Fuhrmann, Alfred Olson, John MacAdam, J. O. Clyne, Will Scofield, and Mr. and Mrs. Gust Johnson. Guess they foresaw the storm which was coming, which would hinder them from going the rest of the week.

EAST ROCK CREEK.

Steve Gillig is working for John Tate this week.

Miss Vina Borton spent Sunday with her parents at this place.

Little Albert Stevens has been quite ill for the past week, but is somewhat better at the present time.

Jas. Norek had the misfortune to cut his thumb quite badly while piling lumber at the A. E. Stevens' mill.

Ed. Parent, of this place, arrived home Friday night from Dakota, where he has been at work for the past year.

W. J. Stevens had the misfortune to have a runaway while at Rush City Wednesday, but are glad to say that nothing happened.

We are having spring weather in January which has taken away the snow and has made it bad for the people that are hauling logs.

Miss Lola Tate spent Sunday evening with her friend Sarah Stevens.

We hear that Geo. L. Steven killed a mad dog that was around the country the first of the week.

MILLBURN

Earl Shuey was visiting at the Gardner home last Sunday.

A dance was given at the home of Gust Meyer Saturday night.

The Messrs. Lyseth and Purdy, of Meadow Lawn, were visiting with friends at the Sperling home last Tuesday

No children attended school at the Sunnyside school last Friday on account of the stormy weather prevailing on that day.

MEADOW LAWN.

John Clyne spent Sunday with the D. Carrier family.

Mr. Lyseth and daughter Alpha drove to Beroun Tuesday.

Mrs. Louis Clyne visited with Mrs. D. W. Scofield Monday.

The buzz of Olson Bros' wood saw is still heard in our vicinity.

Miss Lina Lovejoy has resumed her duties as teacher in District No. 80.

Mrs. R. E. Hamlin spent Tuesday at the home of her mother, Mrs. P. Berkey.

Mr. and Mrs. Aca Scofield called on friends in Hustletown Sunday evening.

M. and Mrs. W. L. Cummings visited with relatives in Pine City on Thursday of last week.

Messrs. O. Lyseth and Allen Scofield came back from the woods near Bruno on Wednesday of last week

Meadow Lawn was pretty well represented in town Tuesday. There must have been some attractions.

END SHAKE. Best construction. Mill is built within a substantial frame.

FEED. The Hero Mills are equipped with a patented feed consisting of two holes which permit of an opening large enough to prevent clogging.

ADJUSTABLE SHAKE. The lever shoe is an important part of a good fanning mill because it grades the seed. You can adjust the shake of the lower shoe of the Hero Mills so as to get either a gliding motion, or a quick, jumping motion as desired.

ZINC SIEVES AND SCREENS. The Hero Mill is equipped with the best Zinc Sieves and Screens that can be obtained. The Sieves will not rust. The screens are 36 inches long and are made of hardwood, which insures the tack holding and keeping the wire screens tight.

The reason for the superiority of The Hero Mills is in the cloths. These cloths are made of special glazed cambric and are so arranged that they make the oats slide through the gang over the holes. The oats are all the time either sliding on a cloth or under one. If on a cloth they certainly cannot go through the zinc sieve, and if under a cloth they are prevented from tailing up and dropping through by the weight of the cloth resting on them.

FLOUR TALK.

When you buy Flour do you look at the name on the sack, or do you just say "Flour?"

If you go into a store and order a sack of Flour, you can't blame the merchant if he gives you the kind of flour that he makes the most money on, for that's his business. But if you order a sack of Pine City Flour and he gives you another kind, you know he has done you wrong.

Should he tell you the flour he is pushing is worth more than Pine City Flour, don't believe him. Just insist on him giving you Pine City flour.

PINE CITY FLOUR is without doubt the best Flour you can buy. It is made from Pine County Wheat, and every time you buy a sack you furnish a market for 2½ bushels of this wheat, as well as the labor it takes to make it flour.

No mill in this section has made the same advancement in manufacturing and distributing its product as the Pine City Mill has. New machinery has been added as soon as it was put on the market, and everything has been kept strictly up to date in every respect.

WHOLESALE AND RETAIL DISTRIBUTING HOUSES have been built at Hinckley and Willow River, where large stocks of the products of this plant are kept and sold to merchants and consumers.

PINE CITY FLOUR is sold by all the leading merchants in every town tributary to Pine City, and those interested push this Flour because they know it is better value for the money than any other kind.

When you buy a sack of Pine City Flour every dollar you spend for that flour is left at home, and sooner or later it will come back to you.

We want you to buy our flour, and if you are not more than satisfied with the results, let us know and we will send a man to get it and refund your money.

WILLOW RIVER.

Hurgiars were in town last week.

Mr. Muckery has moved his livery stock into the Atwood Lumber Co's barn.

Friday was a lovely day for anyone to be out—worst snow storm of the winter.

Mr. Jewell met with a bad accident last Saturday evening. His team got away from him and broke the sled and harness.

H. D. Laufenberg unloaded a car load of flour and feed Tuesday. Mr Laufenberg is doing a real estate business now.

The Jack Frost play given by the home people for the benefit of the school piano fund, was well attended. It was as good as any traveling show.

Peter Praxel lost his pet dog the other day. The dog is missed very much in the family. Mr. Praxel had owned the dog for about fourteen years.

The new blacksmith is doing some of the best horse shoeing that has ever been done in Willow River. In fact, he does any kind of blacksmith work in first-class shape.

Tom Hady's store was burglarized last Thursday evening, the thieves gaining entrance by aid of a broken pane of glass in the door. About 80 cents in pennies, a few oranges and several other small articles were taken. No clue as yet to the perpetrators. What is the matter with our city marshal?

Boys, keep away from the lumber jacks. One of our boys got into trouble with some of the gentry last Saturday morning at the depot. He was going to bid them good-bye, but some way or other they got into a scrap, and he was put out of the waiting room without his cap. So he called on the marshal at 2:30 a.m. to arrest the bunch, but before the depot was reached the south-bound train came along and the lumber jacks escaped, so the marshal found the cap for the poor boy, and sent him home and warned him not to play with lumber jacks any more.

ROCK CREEK.

Eva Johnson visited school Tuesday.

Florence Tate entered school last Tuesday.

Arthur Wilson came home from the woods last week.

George Carlson went to St. Paul to work Wednesday.

The 7th and 8th grades are busy preparing for the examination.

Agda and Myrtle Nelson, of West Rock, entered school here last Tuesday.

County Superintendent Robt. H. H. Blankenship visited school here Wednesday.

Miss Etta Wilson departed for Minneapolis last week. Mr. Wilson accompanied her.

The carpenters are busy working on the Gill house this week, while the weather is nice.

A surprise party was given on Edith Hammergren last Saturday, but on account of bad weather only three were present.

Rudolph Anderson arrived Tuesday from Duluth where he has been working for same time past.

A surprise party was given on Ethel Gill Wednesday evening. A big crowd was present, a splendid lunch was served, and a good time reported.

The meeting of the Ladies' Aid society, which was supposed to be held at Supprell's last Friday, was a poorly attended one, on account of the bad blizzard that day. Only 5 were present.

Mrs Anna Tate and daughter, Florence, returned home Tuesday from a visit with friends. Mrs. Ben Cudd arrived with Mrs. Tate from Wisconsin. Mrs Tate is now living upstairs in the Hammergren building.

Chaffee Again Victorious.

Earl Chaffee, the champion wrestler of Pine and Chisago county went over to Princeton on Tuesday where he met a wrestler by the name of Gordon, a brother of the big Minneapolis policeman, who is a champion wrestler, and succeeded in throwing him twice that evening. Earl was to have met Ostlund the wrestler of Cokato, but could not make connections.

RESULTS THAT REMAIN

Are Appreciated By The People of Pine City.

Thousands who suffer from backache and kidney complaint have tried one remedy after another, finding only temporary benefit. This is discouraging, but there is but one special kidney medicine that cures permanently, and there is plenty of proof right here in Pine City.

Here is the testimony of one who used Doan's Kidney Pills years ago, and now states that the cure was lasting:

Mrs. Albert Glasow, Pine City, says: "For ten years I suffered from kidney trouble, and was unable to find relief until my husband procured a box of Doan's Kidney Pills for me at Breckenridge's Pharmacy. Prior to using this remedy, I could not do any hard work or stoop, as my back ached so intensely. I felt weak and worn out nearly all the time, could not rest well, and arose in the morning feeling as tired as when I went to bed. Any sudden movement would cause excruciating pains in my head, and I was also bothered by dizzy spells. One box of Doan's Kidney Pills completely rid me of the trouble, and I, therefore, consider it a pleasure to tell others of this remedy." (Statement given Aug. 30, 1907).

On Oct 30, 1908, Mrs. Glasow said: "I gladly confirm the testimonial I gave in favor of Doan's Kidney Pills in 1907. I have not felt a symptom of kidney trouble for over a year, and do not hesitate to again endorse Doan's Kidney Pills."

For sale by all dealers. Price 50 cents, Foster-Milburn Co., Buffalo, New York; sole agents for the United States.

Remember the name—Doan's—and take no other.
