Dear Mr. + Mrs. Wack,

I am writing in regards to Edward Neubauer. I am his sister Mae. My husband Harold + I were over to see him Sunday + saw + read your card + letter to him, + he wanted it answered, so that is what I am trying to do.

Sorry we couldn't let you know sooner how he is, on the way to recovery, but still needs care, so

He is in a good place, as they can take him to the clinic when he needs to go. He had surgery Jan. 10 for gall bladder + also an obstruction, so was quite sick for awhile, they still have a small tube in his side as there was some drainage, but coming along O. K. now. We see him a couple times a week, I called there tonight + he is in good spirits. Also he has two other sisters here + they also go to see him when they can, we are all from St. Paul,

but we don't live ~~far~~  
from Mpls. My husband  
had surgery for gall bladder  
& appendix in Nov. so he just  
went back to work two  
weeks ago. Will drop a line  
to Hank Wimmer as I guess  
that is where Glad is  
staying, hope he knows a-  
bout Ed. Thank you  
again for writing to  
Ed as he was so well  
pleased to hear from  
you, could tell he  
thinks so very much of  
you people. If you  
write again I will  
be most than pleased  
to ans. & let you know  
how he is coming  
(over)

along. If you are ever  
up this way you can  
call us at 1699-7633.

Thanking you again  
for everything.
