ACKNOWLEDGEMENTS

The pageant committee would like to thank those individuals who so graciously loaned us costumes and properties.

A special thanks to Ann Vach who furnished much of the material for the script, to Don Stolz who wrote the script, and to Pauline Sills for script coordination.

This Pageant is historical fiction based on facts.

Organ provided by Ken Ulberg from "The Good News Music Center", Cambridge, Minnesota.

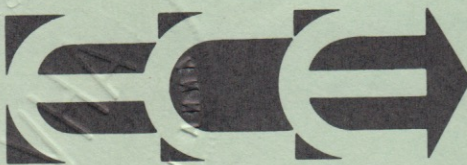

A special thanks to the advertisers whose ads provided this Pageant Booklet.

To the Banner people: Connie Wilson, Betty Karas and Sue Sharp.

Thanks to the Mounted Partol, County Fair Board and the Lion's Club for a job well done.

Congratulations Pine City

East Central Electric Association has served Pine City and the surrounding area for over 40 years. Our goal at East Central has always been, and will continue to be, providing our members with reliable electric service at a reasonable cost, consistent with sound business principles and practices.

Happy Birthday Pine City

This weekend marks the 101st anniversary of the City of Pine City, and we take this opportunity to welcome all of you for the Heritage Days Celebration.

There has been some remarkable changes in our community during the past 100 years. The aggressiveness and planning of the Pioneers in this area is serving us well today. Pine City has become one of the finest communities in East Central Minnesota.

During the three-day presentation of this historical pageant, you'll walk with and relive the issues, the decisions and the people that have shaped our heritage.

Pine City certainly has much to be proud of!
