

# THE PINNACLE

VOLUME IV

PINE CITY, MINNESOTA, MARCH, 1925

NUMBER 7

## SOPHS STILL LEAD THE HONOR ROLL

The Honor Roll for this last period shows the record breaking number of twenty-three. This is a fine number, besides being the greatest for this year.

Th Sophs robbed the Frosh of head place on the list, the following nine members representing them:

Royal Hoefer ..... 95.5

Helen Beery ..... 93

Helen Carlson ..... 93

Melta Wiley ..... 92.25

Sigurd Dyrland ..... 91.5

Geraldine Wiley ..... 90.75

Libbie Polivka ..... 90.5

Edwin Borchers ..... 90.25

Gertrude Cummings ..... 90

However, the Freshmen were a close second, having eight of their class on the roll. They are:

Ione Sobotka ..... 96.5

Edward Benda ..... 94.5

Wesley Lowe ..... 94

Geneva Guymon ..... 91.25

Caroline Kick ..... 90.75

Bernard Olson ..... 90.5

Leonard Melsha ..... 90.25

Helen Engler ..... 90

The worthy Seniors held third place, with these four members:

Lorenzo Dane ..... 92.25

Lambert Beery ..... 91.25

Dorothy Carlson ..... 91.25

Clifford Dorow ..... 90.25

As before the Juniors get the "Booby" prize. The two of this class who reached the goal were:

Gladys Barnum ..... 91.25

Margaret Lowe ..... 91.25

This advancement of the number on the Honor Roll is encouraging, and it is hoped that it will be increased with each new period.

## DECLAMATION STAGED FOR APRIL 17TH

The decision of the judges in the preliminary declamatory tryout, which was held Friday morning, Feb. 20, in the Assembly was as follows:

### Oratorical

"The Burial of an Unknown Soldier" ..... James Poerl "It Must Not Be Again" ..... Robert Dippery

"The Burial of an Unknown Soldier" ..... Lambert Beery "The Challenge of the Past" ..... Lorenzo Dane

### Dramatic

"Over The Banister" ..... Geneva Guymon "Madame X" ..... Gladys Barnum "Bobble Shafto" ..... Helen Carlson "Patsy" ..... Ione Sobotka

The local contest will be held April 17 at the Family Theatre, at which time a boy and a girl will be chosen to represent Pine City High School in the Little Eight Track and Declamatory this spring. Every contestant is doing his best to learn and prepare his piece while Miss Huff is carefully coaching the competitors.

## ALL INTEREST IS CENTERED UPON SENIOR CLASS PLAY

The greatest attraction of spring high school activities, the Senior Class play, will be staged, Wednesday April 1 at the Family Theatre, in the afternoon at 2:00 and evening at 8:15. This play, "What Happened to Jones," is one of the most clever plays on the stage and is a great hit wherever it is presented.

A professor of anatomy (Lorenzo Dane) is lured to a prize fight by Richard Heatherly (Merrill Daniels) who is engaged to Marjorie (Dorothy Carlson), the professor's daughter. The police make a raid on the "mill" and the professor and Richard escape to the professor's home followed by Jones (Edward Therrien), a traveling salesman, who sells hymn books when he can and playing cards when he cannot. The policeman (Clifford Dorow) is hot on the trail so Jones disguises himself by putting on a bishop's garb intended for the Bishop of Ballarat (Lambert Beery) who has just come from Australia.

Complications ensue when the professor's wife (Gertrude Sommers)

and her daughters, Marjorie and Minerva (Ella Stelzner) as well as her sister, Alvina (Mary Mach) and the professor's ward, Cissy (Alice Petschel) mistake Jones for the real Bishop.

The other funmakers are aided not a little by an escaped lunatic, Bigbee (Robert Dippery) and the Swedish servant girl Helma (Florence Erickson).

This celebrated farce, which has been a tremendous success for years on the professional stage, is the jolliest of its kind and is clean and sparkling all the way through.

The cast has been working hard under the direction of Miss Huff and indications point to the likelihood that this play will be one of the best and funniest given by a senior class.

All committees have been busy posting bills, selling tickets and making arrangements for a first class play in every way.

No one can afford to miss it for there will be first class music 'n everything.

## RECEPTION WELCOMES SUPT. F. G. JONES

One of the most enjoyable affairs of the season was the reception held for Mr. and Mrs. Jones in the assembly of the high school, on Wednesday evening, March 4th. Over two hundred people gathered to extend their heartiest greetings of welcome to the new superintendent of the Pine City High School.

S. G. L. Roberts extended a welcome in behalf of the school board and turned the meeting over to Mrs. N. R. Perkins, President of the Woman's Literary Club. A cordial welcome was then extended to the superintendent and faculty by Mrs. Lowe. A most appropriate response was offered by Miss Bohrer of the Normal Training Department.

Some very entertaining musical numbers were rendered by the "Blue Moon Serenaders." F. P. Gottry and Lorrile Boyle rendered vocal numbers which were most pleasing. The trio, composed of Pine City talent—Robert Woehrle, Laurence Therrien and DeWitt Gottry sang "How-do-you-do" with some clever take-offs on the speakers of the evening.

The principal speaker of the evening was Howard Hay, former superintendent and teacher in this community. Mr. Hay is a favorite with many Pine City folks and it surely was a pleasure to have him recall the things that happened in the "good old days." In conclusion, he spoke on the part in which the school plays in the community and the good that can be accomplished by a spirit of co-operation which unites both school

## SOPHS GIVE FROSH HARD TIME PARTY

The sophisticated Sophomores showed their spunk when they entertained the Frosh with a real Hard Time Party Thursday March 12. This was the first party that has been given between the classes for many months.

All the girls were dressed for good time as well as a hard time but as it is natural for boys to be rather shy they came in their dress suits so as not to attract attention.

Everyone met in the assembly room first and from there went down to the gym where the evening was spent in playing games, talking and laughing.

About 10 o'clock lunch was served in the sewing room in hard time style. Paper plates, tin cups, tin spoons, tin everything but O-O-O-OH such as "wunnerful" eats.

Salmon salad, (sounds fishy but it couldn't be beat) and real homemade ham sandwiches was the first course. Coffee red hot, for school, "kids" but that's what there was and anyone's really think some experienced cooks were in that kitchen preparing it instead of just some Sophomore girls. After all that, last but not least was the dessert which consisted of ice cream and wafers and after dinner mints, and than thanks to the eats committee they saved the hard time eats for another time.

Not a half an hour later the school building was again dark and gloomy for the entertainers and the entertained had all departed for home.

## BRIGHT OUTLOOK FOR TRACK, FIELD MEET

With the close of the Basket Ball Season and with warm weather fast approaching, the question arises in the minds of high school students and sport fans of our city, "What kind of a track and field and baseball teams are we going to have at P. C. H. S. this year?" This question can be answered very easily. P. C. H. S. has a wealth of material for these teams and always has the old "pep" so if all of the fellows just get out and work hard P. C. H. S.'s going to make 'em all step.

The outlook for baseball is much brighter than track and field as there will be seven veterans out for their old berths again. Among the veterans are such well known men as: Woehrle, Erhart, Holmberg, Hoefer, Dorow, Engle and Therrien. Others will be out and promise to make the veterans step for their old positions are: Spickler, Gardner, Wilcox, Flaten, Poerl, Beery, Truesdell, Mack and Dave Hoefer. Pine has always been considered one of the best teams in the "Little Eight" so she should at least bring home three new pennants and a loving cup this year.

The voice of universal interests in H. S. activities calls, "Come on now fellows, let's all get out and help put this across. YOUR SCHOOL NEEDS YOU!"

### AN APPRECIATION

The High School Students and Faculty wish to express their appreciation and thanks to Mr. Webber for the use of his radio set for March 4.

## ASSEMBLY LISTENS TO INAUGURATION

At 10 o'clock on the morning of March 4, the Assembly waited with expectant faces while Donald Spickler the school's radio expert, tuned in on the greatest event in the history of radio, the first inaugural to be radio broadcasted.

Then from the loud speaker there came the voice of the announcer at WCCO telling the world that they were broadcasting from the State Theatre, Minneapolis. After listening for about an hour to a musical program, the St. Paul announcer switched on to WEAFF, New York, and we heard the voice of the New York announcer thru New York from Washington by remote control. It added to the general interest when we found that the same program was being broadcasted by about twenty stations in all parts of the United States.

First the Marine Band rendered some patriotic and old folk songs, which were interspersed with interesting descriptions of Washington by the announcer. Then, after final ex-

### SPRING ACTIVITIES

The Most interesting thing that attracts the high school's notice about this time of the year is the spring athletics. All the boys who intend to engage in baseball and track and field events have signed their pledge cards. As the requisite for this is a full year's abstinence from tobacco and intoxicating liquors it shows that we have a very fit class to engage in these sports.

Baseball is going to be an attractive sport this year as there are many going out for it. We have a large number of veterans from last year who are going to make a good showing, but they will have to fight to hold their old places when the new men get into action. Practice has informally started on the school's diamond and a casual observance shows we have some mighty fine material. The high school will give this sport its full support not only in theory but in everyday practice.

As for track and field events Pine City has some excellent material. Everyone has known that Pine City is always dreaded in the track events and every year makes a good showing. The way it looks now 1925 is going to be no exception for P. C. H. S. There is more material to choose from, more veterans who know the inside steps of everything and all in all a better

spirit in the men and in the high school as a whole.

All we need now is encouragement from the teachers high school pupils and all outsiders, to make this year the best ever. Are we willing to sacrifice a little aid and cooperation for victory? We surely ought to be when others before us have.

Probably the first act of cooperation, which really depends upon the athlete himself, is the securing of a good standing in H. S. work. Then there is his practice in his particular line of activity; the spirit of the assembly in voicing its approval in Pinnacle work and everyday speech; and a universal spirit of approval from all concerned.

Can we afford to lose the honors for lack of cooperation? Of course we can't. Get behind it and make it a success. Let's go.

### ATHLETES TAKE PLEDGE

All the boys who intend to go out for spring athletics took their pledge in the Assembly, March 19. Pledge cards were handed out and all signed them.

The pledge includes total abstinence from tobacco and intoxicating liquors for the whole year, beginning September 1. It also includes the assurance that all boys will abide by the rules and regulations of the Ath-

### THESE ARE NOT LOST

The look of sympathy, the gentle word,  
Spoken so low, that only angels heard;  
The secret art of pure self-sacrifice;  
Unseen by men, but marked by angel's eyes—  
These are not lost.

The sacred music of a tender strain,  
Wrung from a poet's heart by grief and pain,  
And chanted timidly, with doubt and fear,  
To busy crowds, who scarcely pause to hear—  
These are not lost.

The silent tears that fall at dead of night  
Over soiled robes, that once were pure and white;  
The prayers that rise like incense from the soul,  
Longing for Christ to make it clean and whole—  
These are not lost.

The happy dreams that gladdened all our youth,  
When dreams had less of self and more of truth;  
The childhood's faith, so tranquil and so sweet,  
Which sat like Mary at the Master's feet—  
These are not lost.

The kindly plans devised for another's good,  
So seldom guessed, so little understood;  
The quiet, steadfast love that strove to win  
Some weary wanderer from the ways of sin—  
These are not lost.

### JUST AN IDEA

A teacher's life is trying, no doubt,  
And their difficulties are many.  
But here's an idea that will win out  
With wondrous results uncanny.

Twill solve the problems of every day;  
Twill lessen a teacher's worry—  
And twill prompt the student in ev'ry way  
To get his lessons in fine hurry.

This is the plan—you're following me?

You'll need to, for your attention  
Must really undivided be,  
To get the idea I mention.

First—get a canvas, be sure it's good  
One that can resist forever  
The long, long days. Or if you would  
One that "Kids Can't Sever."

Then hire a genius, a man of mind—  
Edison or some other one,

etic Association.

There was a large number of boys who signed and indicates that Pine City is going to make a good showing this year. A large choice of material is always desirable and is really an index to quality as well as quantity.

With an early spring practice will progress rapidly.

Have invented an apparatus; some kind  
That'll reflect (on the canvas) thots of every one.

Hang it in the Class Room!!

Imagine then, the thots expressed Upon this canvas grand,  
Everything there on impressed As from an artist's hand.

Teacher could tell if we had in mind Our lessons or pertainings To outside things. She could truly find Our inward entertainings.

For what so ere our thoughts might be  
The "Canvas Grand" would show it,  
Whether on "party," "dance," "Biology"—  
And teacher dear would know it.

This would brighten her drear life, no doubt,  
Though difficulties be many,  
For here's an invention that would bring out, Curious results—uncanny!!

—P. L. S.

What is the matter with a lot of us? Most of you will say that "Spring Fever" has taken possession of the school. But, are you sure that it is really spring fever? I don't think it is the reason but merely an excuse.

It seems that no matter what time of the year it is, whenever we slacken our paces in work or life we always find somewhere to lay the blame. We never take the blame ourselves as we should. In fact, it seems almost natural to lay it to some cause.

In the spring, they lay it to "spring fever;" in summer, to "dog-days;" in the fall to "Indian Summer;" in winter to "staying indoors"—but now it's plain laziness. If we were not reasonably well, physically and mentally, we would not be in high school.

Therefore, let us work and study, for we have only two short months of school left. See what we can do in that time.

For remember, unless we strive for success we shall not attain it.

### A STUDENT FILM

University of California students may exhibit themselves on the "silver screen" in a film whose plot was written by university students. The plot is to center around university life. The Executive Committee, of the student body favors the project and its execution now awaits the sanction of the university authorities.

### DEAN POUND DECLINES

Dean Roscoe Pound, of the Harvard Law School has definitely declined the offer of the Board of Regents of the University of Wisconsin to become President of that institution.

Remember the Class Play! See—What Happened to Jones?—April 1st.

### JUNIOR NOTES

The Cicero students have only six more pages left to translate before they have finished the required number of orations.

Only two and one half months left of this school year—only two and one half more lessons in the Short-hand I Manual.

The English II class gave their sixth—and last book report Friday, March 13th.

Do you dislike notebook work? Well, so do the General History and Physics classes.

The Juniors haven't made any definite preparations for the Junior-Senior banquet. All that can be said at present is that the banquet will be held the latter part of May, just before the final examinations.

Many of the Juniors have received cheery letters from Lucille Valley and William Reichert. Though they will probably be unable to be with us this term, we hope that they will be back again at the opening of school next fall.

Estella Johnson of Harris has also been obliged to discontinue her studies in Pine City, due to illness.

### SOPHOMORE NOTES

March 4—Some of the cooking and sewing girls served at a reception which was held in honor of Mr. and Mrs. Jones. It was so late when they finished serving that Mr. Jones told them they could sleep later in the morning, providing that they would get to school at ten thirty.

March 19—The Soph-Frosh party.

March 20—The seventh graders made a luncheon and served it to the

girls who worked at the reception. The seventh graders ought to be complimented on their ability to cook. The only difficulty was in getting the marshmallow from one's cup. Everyone present had a good time and also the girls had a good time preparing the luncheon.

March 25—The Domestic Science classes went with Miss Markham to the Food Demonstration given at the Power Company by Miss Holy. She talked on Electric Cookery.

The Caesar class have completed the third book and are now on Book IV.

The Bookkeeping class have had exercises in time and commercial drafts.

### ALUMNI NOTES

Ernest and Lester Wilcox, who are attending Macalester College, spent a few days visiting with friends and parents here.

Galen Weinberger and Maurice Weinberger were up from St. Thomas for a few days visit.

Arnie Kowalke has been visiting in Pine City for the last week. He played with the Battery team at the State Independent tournament in Minneapolis, on March 13th.

The students of P. C. H. S. are all pleased to know that Carrie Boyle has recovered from her attack of appendicitis and has been able to return of her studies at Hamline University.

Catherine Poerl, primary teacher at Sandstone, spent a few days visiting her parents here.

Harry Petschel was up from the Twin cities for a few days visit.

We are all very glad to see Eenie Huber back home. He has been in the University Hospital for the last month where he underwent an operation.

### RECEPTION WELCOMES

SUPT. F. G. JONES

(Continued from Page One)  
and parents. Everyone was more than pleased with Mr. Hay's speech.

Another prominent speaker of the evening was J. W. McAdam, who had charge of the schools here the twelve years previous to Mr. Brown. Mr. McAdam dwelt mainly on problems which could be made easier for the superintendent and his teachers. Mr. McAdam's speech was very inspiring and all were glad to have the opportunity of hearing him speak.

Superintendent Jones replied to the remarks of the speakers, by stating his policy of managing school affairs. Mr. Jones' remarks were concise and to the point. All who heard him felt they had become closer in touch with him and with the affairs of the high school.

Then Mrs. J. G. Reinhardt gave a toast to Mr. Jones with a few appropriate remarks. J. P. Miller made a short speech on school affairs and Father Leo closed the program with his customary pleasing way and left those present with some substantial things about which to think.

At the close of the program, the girls of the Domestic Science classes served a delightful lunch in the sewing room which had been tastily decorated for the occasion.

The women of the Literary Club are to be congratulated for their success in conducting the affair. This public reception brought about a closer relationship between parent and teacher, and offered them an opportunity to become better acquainted with each other and with the affairs of the high school.

### ASSEMBLY LISTENS

TO INAUGURATION

(Continued from Page One)  
planations, followed by a hush, Chief Justice Taft read the oath of office after which the President launched into his inaugural address.

The address itself was not as clear

as other parts of the program but nevertheless enough was distinguishable so that one could get the chief subjects under discussion. Mr. Coolidge told of his policies, what he favored or disfavored and why he was for economy in government expenditures. He said he did not favor economy because it saved dollars but because it saved people. Tariff was among the numerous other things discussed, which the assembly, as well as everyone else, had more than two hours to meditate upon.

The Assembly was unusually quiet considering the length of time the address lasted, but it is little wonder when one considers the magnitude of such an event.

The school is indebted to Mr. Webber for the use of his splendid five-tube set and loud speaker, and wishes to show its appreciation by a universal vote of thanks.

### GALEN WEINBERGER

#### RECEIVES APPOINTMENT

Galen Weinberger has received the appointment as third alternative to the Annapolis Naval Academy which consists of four to six years of Naval Training after which the student will graduate and be ranked as an Ensign.

Galen, who graduated last year from Pine City High School was Valedictorian of his class. He also played an important part in athletics and other activities. He is now attending St. Thomas College where he ranks as a Freshman. He is well known both in Pine City and at college and his many friends here and there wish him success in his recent appointment.
