Why will women let themselves go in this way? It seems passing strange that a woman like the one depicted here should have been cured in the first stages. If when she had felt those severe pains in the back, the terrible headache, the constant sense of fullness, soreness and pain in the pelvic region, she had used Lydia E. Pinkham's Vegetable Compound, it would have dissolved and passed off that polypos in the womb, and to-day she would have been a well woman sitting in her office. Why will women let themselves go in this way? It seems passing strange that a woman like the one depicted here should have been cured in the first stages.
