How about your Complexion?

THERE'S nothing quite so beautiful as human skin in its normal, healthy state, bearing the tint of the rose, the flush of the peach and the pearly whiteness of the cameo. If you desire a perfect complexion—commence using

Nyal's Face Cream

You have for some time been looking for the ideal face cream—here it is. Use Nyal's Face Cream and watch the great improvement in your complexion. Once you try it, you'll always buy it. For fifteen years this has always been the favorite face cream of discriminating buyers of toilet preparations.

Being greaseless, Nyal's Face Cream is readily absorbed by the skin. Inasmuch as it contains peroxide, it is thoroly antiseptic. This cream is ideal for cleansing the pores and leaving the skin soft and velvety. Sure, it's just the thing for chapped skin, cracked lips, freckles, tan and sun-burn.

Be good to your skin. A good

complexion can be yours—why not have it. Start using Nyal's Face Cream immediately. We are the agents for this celebrated skin tone. Buy it at our store. Nyal's Face Cream is sold in

It Pays to Attract the Evening Crowds

Many of the people who crowd the streets in the evening are out to make purchases for which they have no time during the day.

Dark show windows and poorly lighted store interiors fail to attract attention, much less trade. The crowds seek the well lighted streets, likewise the brilliantly lighted show windows. Few people can resist the attraction of windows illuminated with Edison Mazda Lamps. Every person that can be caused to halt and admire the pleasing effect of a well trimmed and properly lighted show window immediately becomes a prospective purchaser.

Properly illuminated stores and show windows surely will give you your share of the after-hours business. Our Lamp Man will gladly advise you as to how you can obtain the maximum effect at minimum cost.

AN EARLY SETTLER GONE.

Wednesday afternoon word was received here of the death of Mrs. John Griffith, mother of Mrs. W. P. Gottry of this place, which occurred at the home of her daughter Mrs. John Kinney in Seattle. Death resulted from heart failure.

The remains left Seattle Thursday accompanied by Mr. and Mrs. Kinney, and will arrive here Sunday afternoon. Funeral services will be held Monday afternoon at 2 o'clock from the M. E. church. Further particulars will be given next week.

PINE COUNTY PIONEER

ED. C. GOTTRY, Editor and Prop

Entered in the Postoffice at Pine City as Second Class Matter

Pine City, Minnesota, May 10, '13

Twenty Five Years Ago.

Martin Vaughan, who had been in town for a week prior to last Tuesday, departed for his home in North Branch on that day.

Stephen O'Neill, of Sandstone, called at the Pioneer office last Saturday and paid for another year's subscription to his county paper.

Mrs. S. J. Woods left the village Tuesday morning on the early train to join her husband, who left Pine City a little more than a month ago.

A. H. Lambert will move his family out to his farm next week. His house in town will be occupied by J. H. Boest, our new station agent.

Among our legal advertisements will be found the Articles of incorporation of the Kettle River Falls Co., which will be a corporation of much value to this county.

Although the water in Snake river is still quite cold a clerk in one of our stores took a bath last Sunday morning while amusing himself by running on the logs.

The Board of County Commissioners were in session on Tuesday of this week. The session was a short one, occupying only a few hours. The proceedings of the meeting will be published in our next issue.

It just leaked out last week, too late for publication, that A. P. Burch of this village, was married the latter part of the week to a lady who had just arrived from Sweden. Justice of the Peace, Oliver Wilcox, performed the ceremony.

Walter Gottry has been nursing his right hand very carefully this week, because of a jammed finger, caused by leaving his right hand on the platen of the job press in this office too long. He will be apt to be on the lookout for such accidents in the future.

The steamer Kate R. has finished the work of towing up on Lake Pokegama for the present and is laying at her dock in this village. She will have considerable work later in the season, but will wait until the drives that are here have passed before commencing.

The Kettle River Stone Quarries were this week sold by Messrs Grant and Knowles and F. A. Hodge and James Hurley for the sum of \$120,000 and the property has been transferred. This deal does not include the town-site of Sandstone, but merely the quarry property.

HINKLEY.

Garret Corrigan now officiates at the "Headlight".

Miss Annie Currie, of this place, spent Wednesday in Pine City.

Dan McLaren went down to St. Paul, Minneapolis and Stillwater on business Thursday.

Mrs. O. Wilcox, of Pine City was in town for a day or two this week visiting with friends.

Geo. Booth seems to have stood the wear and tear of two political conventions first-rate.

Jimmy Coffin is still unable to resume work at the depot, but is improving slowly.

Miss Mary Pranevost of Sandstone was in town this week, selling tickets on a watch to be raffled at that place, and visiting friends.

John Cameron, who for the past few weeks has been at work at "The Headlight", has resigned, and accepted a similar position with Kronenberg & Brandes at Sandstone.

Robert Kendall's family left for Stillwater on Friday of last week, and were followed by Mr. Kendall on Monday. From there they will proceed to Montana where they expected to make their future home.

Wm. Craig spent a part of last week in Duluth, whither he went for the purpose of doing some carpenter work on B. C. Bartlett's hotel in that city. Mr. Craig is also making some improvements in Mr. Bartlett's hotel in this village.

Proposals for Putting in Pump and Pump Pit.

Sealed proposals for the furnishing of material and equipment for a pump and pump pit for the Village of Pine City, Pine County, will be received up to 1 p. m., May 27th at the office of the Village Recorder, H. J. Buirge, and opened immediately thereafter.

Plans and specifications are on file and can be seen at the office of the Village Recorder, Pine City, Minnesota, or at the office of the Claussen Engineering company, the Consulting Engineers, 314 Commercial Building, St. Paul, or additional copies may be had of the Consulting Engineers at \$1.00 per set. This charge is made to cover cost of reproduction.

The plans and specifications are the property of the Village of Pine City and must be returned at the letting, or the bids will not be considered. The work will consist of the following:

The furnishing and installing of pumping machinery and equipment, consisting of the installing complete of a deep artesian working head and pump directly connected to a motor or the motor directly geared to a power working head including all the necessary auxiliary apparatus, foundations, pump pit, connections and fittings, installed complete and delivered in first class working order, installation to consist of electric driven apparatus having a capacity of about one hundred and fifty (150) gallons per minute, with single or double cylinder equipment.

A certified check, made payable unconditionally to the Village Recorder, must accompany the proposals for this work.

The Village of Pine City reserves the right, through its officers, to reject any or all bids.

Signed by JOLUIS DOSKY, President of the Council.
Attest: H. J. BUIRGE, Village Recorder.

PRESBYTERIAN NOTES.

Regular preaching services next Sabbath.

On Sunday May 25 the Memorial Day sermon will be preached in the M. E. church at 11 o'clock. This will be a union service.

PROPOSAL FOR BUILDING A TOWN HALL FOR THE TOWN OF CHENGWATANA.

Sealed proposals will be received up to one o'clock p. m., May 26th, 1913, by the Town Clerk, Frank Drimel, for the building of a Town hall for the town of Chengwatana. Same to be constructed according to plans and specifications now on file at the office of the Town Clerk.

Certified check for \$50.00 made payable to the Town Clerk must accompany each bid. The Town of Chengwatana reserves the right through its officers to reject any or all bids.

POTATO PLANTER
You can plant your crop faster and better with a EUREKA PLANTER than in any other way.

ACCURACY The dropping mechanism of the Eureka is very simple, with a positive movement, and is unusually accurate. Frequent tests have shown it to be more than 95 per cent. correct. Some users report 97 to 99 per cent. A planter with this high average satisfies growers and entirely offsets the old time argument made to sell planters that require driver and an extra man to watch the seed dropper and supply the skips. The Eureka with one man is guaranteed to equal, if not surpass, the results obtained from any other style.

UNIFORM DEPTH Instead of being two feet or more ahead of the main axle, our furrow opening plow is placed directly under the axle. It is therefore, carried in a relative position with the wheels over uneven ground, absolutely insuring planting at an even depth, under all conditions. Other makes of planters do not have this construction, and this feature has caused many growers to purchase the Eureka. The crops come through the ground uniformly and make an even stand.

INTRODUCTORY NOTE.

Allow us to call your attention to the finest, most home-like, popular priced European hotel in St. Paul. The JEWELL HOTEL is most centrally located, being right in the heart of the business district and opposite the Court House.

There are one hundred fine large outside rooms, with running water and private telephones to choose from. Many of these have private baths and lavatories. All have been newly decorated and refurnished.

When visiting the Twin Cities we bespeak for the JEWELL HOTEL your patronage.

W. E. Higby & S. H. Phillips, Prop.

GOOD LOOKING MEN

ARE ALWAYS SUCCESSFUL IN BUSINESS

Usually Admired by the Fair Sex

HERE IS THE SECRET

The men of Chicago have suddenly acquired an attractive complexion. The reason for this is, that they are now shaving their faces with the new process, called "the Veijet-Edre Safety Razor Blade Sharpener," which gives that velvety smooth skin to the constant shaver.

You men who use safety razors and want a velvety skin, shaved with the delicate softness so much desired, with a keen cutting edge, send your dull safety razor blades at once to Chicago, and have them sharpened by the newest electrical process, which makes the dull blade cut better than the new, and your old blades are returned to you a perfect new blade.

Don't throw away your old safety razor blades, but send them today, well wrapped, and do not delay it until to-morrow.

Price 30c per dozen for all safety razor blades, which include Gilletts, Eye-Ready Gem, Auto-Strop, Riders, Keen-Kutter, and all other makes. Your blades will be returned to you in a few days, charges prepaid. Send coin or money order. No orders accepted under 30c.

Wrap blades securely in a card board box. Do not send them in an ordinary envelope, the blades may cut through and be lost. Include your name and P. O. address on the package.

"Rough hauling?"
"I don't mind. This is a Studebaker Wagon"

—that's why I bought it. I noticed that men were using the Studebaker wherever the work was hard—hauling steel girders in the city, logs in the woods, stone in the quarry.

"My work is hard and I know it. My wagon is on my payroll and must earn its salary. That's why I bought a Studebaker. I can't afford to buy a cheaper one."

"Get in touch with a Studebaker dealer, he's a good man to know."

You Will Need Extra Power

WHEN you buy your engine, get it big enough to do more than your present work. If it's an IHC engine it will last a long time. Your farm work is bound to increase in volume. Very likely you can save yourself the price of another engine later, by getting an engine a size larger than you need now. When you buy an engine powerful enough to handle your work easily while running at the correct speed you add years to its life. Get your engine big enough and buy an

IHC Oil and Gas Engine

You can use it to run any farm machine—pump, saw, feed grinder, cream separator, grindstone and on up to a husker and shredder or thrasher—depending on the size of the engine you buy. The power is so economical, so steady and dependable that IHC engines are in daily use in printing offices, laundries, bakeries, machine shops, mills and factories. An IHC oil and gas engine will deliver 10 to 30 per cent above its rated horse power. All parts are carefully, accurately ground and perfectly balanced. Combustion is perfect and the maximum power is secured. Sizes—1 to 50-horse power. Styles—stationary, portable, skidded, vertical, horizontal, tank-cooled, hopper-cooled, air-cooled. Fuels—gas, gasoline, naphtha, kerosene, distillate or alcohol. Oil tractors, 12 to 60-horse power, for plowing, threshing, etc. Get catalogues from the IHC local dealer, or, write

—If you want Gasoline that your engine will start easy on in cold weather, see E. W. SPLITTSOSER.
—FOR SALE—120 acres of fine farm land, all fenced, 47 acres under the plow. Inquire at this office.

MONSTER MASS MEETING FOR GOOD ROADS

Every city between, St. Paul, Minneapolis, Duluth and Superior is invited to send delegates to a monster good roads meeting at Rush City, May 22nd for the purpose of getting action on the Twin Cities to Duluth Highway. The cities of St. Paul, Minneapolis, Duluth and Superior especially are urged to send representatives of their Commercial and Auto Clubs. For further information, write to Curtis M. Johnson, Sec., Rush City, Minn.

The above would be a move in the right direction, as a good highway from the twin cities to the twin ports is something that we would all like to see. If it had not been for the contention in Chicago county last winter we would stand a good chance of getting the help the government promised for the state road, that will now be built from Owatonna to St. Paul.

The people of Pine City and Pine county are as vitally interested in a good highway between these points as any town or county on the route, and a good delegation from all places along the line of the highway may be expected.

ROCK CREEK

Miss Mayme Erickson was a Pine City visitor between trains Saturday.

Mrs. Harry Mills spent Sunday afternoon with Mrs. Geo. Lenneroth.

Chas. Heinemann was a twin city visitor on business the middle of the week.

Medeaus Shogren and Aitman spent Friday afternoon at Heinemann's.

Mrs. Hartman's mother arrived last week to visit for some time at the Hartman home.

Messrs. Polinsky and Johnson shipped a car of stock to Duluth Tuesday morning.

Mr. Smith and young daughter were twin city visitors last week, returning home Monday morning.

The Farmers' Co-operative Creamery Co., now have four wagons on the road collecting cream.

Mrs. A. E. Stevens accompanied by Miss Myers drove in from Deer Valley the fore part of the week.

A son of Chas. Nelson arrived this week from Canada to spend some time with relatives and friends.

Chas. Peterson and wife, Mrs. Gill and Mr. Anderson were county seat visitors between trains Saturday.

Harry Mills returned from his visit to his brother and brought some fine fresh fish for his family and friends.

There will be an ice cream social given at the school taught by Miss Clayton in Dist. No. 13 on May 23rd. Everybody is invited.

At the social given in the M. E. church last Friday evening, a goodly number were present and the ladies cleared the neat little sum of \$100.

The Ladies Sewing Club met with Mrs. Shogren Wednesday afternoon, and had a very pleasant time. A fine lunch was served by Mrs. Shogren.

Messrs. Gray and Challen of Pine City, were down in this vicinity Sunday with an auto looking for stock. Mr. Aitman sold them a fine cow and calf.

A sister of Mrs. Geo. Lenneroth, who is a trained nurse, returned to her home in Minneapolis, the fore part of the week, after a week's nursing of her sister.

Mr. Cudd, our harness maker is a very busy man these days getting out one new harness after the other, but still he takes time to look after the base ball team.

D. O. Green, of Algona, Iowa, came up last week to see Chas. Heinemann about selling the land he has here.

Mr. Green owns as nice a 120 acres as there is in Pine county, lying in Sec. 8 and 23 38 23. Anyone desiring further information call on or address our land man, Chas. Heinemann.
