VOL. XXVI

PINE CITY, MINNESOTA, MAY 8, 1924

No. 35

## P. W. McALLEN AND H. W. HARTE FILE FOR STATE REPRESENTATIVE

Two more candidates have filed for the nomination for state representative from Pine County. H. W. Harte of Brook Park entered the race last Tuesday afternoon and P. W. McAllen of Pokegama paid over his filing fee yesterday.

This makes four contenders for the office, Jos. Thierien, present incumbent and Oscar Steen of Hinckley having filed some time ago. Two are to be nominated at the primaries on June 18th.

Both Mr. Harte and Mr. McAllen are well known in Pine county and need no introduction to the public.

Mr. McAllen came to Pine City from Bristol, S. D., in 1896 and that year he and the late First State Bank here which was the first state bank to be started in the county. They operated the bank for 23 years selling out to the present stockholders of the First National Bank about 4 years ago.

Since retiring from the banking business, Mr. McAllen has been operating his farm which borders on Lake Pokegama. He has 400 acres, 175 of which are under cultivation, and the balance is used for pasture and hay purposes. He has 150 sheep and 40 head of some of the best bred horses in the country.

Mr. McAllen has made a specialty of breeding race horses and is known all over the middle west for the fine horses that come from his farm. He has a race track on his farm where his horses are trained and his farm is one of

the show places of Pine county.

Mr. Harte is also an old time resident of Pine county. He started the Rush City Mercantile which he operated for seven years when he sold out and came to Pine City and started the Pine City Mercantile, 22 years ago, building up a prosperous business during ten years of active management of the store when he sold out to the present owners.

Upon retiring from the Mercantile he helped organize the Pine City State Bank, which is now the Farmers & Merchants, and was vice president of the bank until it was sold 4 years ago to the present stockholders.

Mrs. Harte's health was poorly, at that time, so they disposed of their home here and moved to Brook Park, Mrs. A. E. Eddy.

Friends have urged Mr. Harte for some time to enter the race but he was undecided until last Friday evening when a demonstration was staged that he could not resist.

It was during the high school class play at Brook Park and during an intermission Mr. Harte was called on to file for representative. It met with the instant approval of the large audience and the play was brought to a halt for a few minutes until Mr. Harte had made a few remarks and promised his favorable consideration of the suggestion, with the result that he is now a candidate for the office.

## Pine City to Have Artillery Battery

Present indications are that Pine City is to have an artillery battery that will be a part of the 125th Field Artillery of the National Guard. A full strength, peace time, battery will consist of 65 men, 32 horses, 2 large field guns, 3-in. pieces and auxiliary equipment. There are four commissioned officers in the battery, captain, two first lieutenants and second lieutenant, and about 12 non-commissioned officers.

Elmer McDevitt, Duluth attorney, and colonel of the regiment, met with local business men last Monday evening, when he explained the matter and asked if the village would like to have such an organization here. A battery here would mean the expenditure of close to \$15,000. The pay of the men ranges from \$1 per day and upward.

There will be one drill a week of an hour and a half's duration. All those who attend receive one day's pay, but must attend 60 per cent of the drills to receive pay. Every year there is a two week's encampment when those who attend will receive \$2 per day and upward. The camp this year will be at Battle Creek, Mich., sometime in July.

A full strength battery calls for 22 horses, horses for the guns and the officers. There is full time for a man to take care of the horses, and a full time job for a man to take care of the guns and equipment. The government also buys all tonnage for the horses locally and provides \$275 for this department per month.

There were about 30 present at the meeting and the proposition met with the approval of those present. A committee consisting of Clint Hood, Mike Hurley and H. V. Johnson, was appointed to handle the preliminary organization and getting enlistments. They already have close to 40 signed up for members. The enlistment is for three years, but in case a member moves away he will be discharged from service. The age limit is from 18 to 40 years.

## DECLAMATORY CONTEST HELD WEDNESDAY EVE

At the declamatory contest held in the theatre last evening Galen Weinberger was awarded first place in the boys contest and Gladys Barnum for the girls. Muriel Heath was given second place and Ira Franklin third.

The two winners will represent Pine City at the declamatory contest at the Little Eight meet.

M. B. Hurley, Clint Boo and Mrs. Ell Huber were the judges.

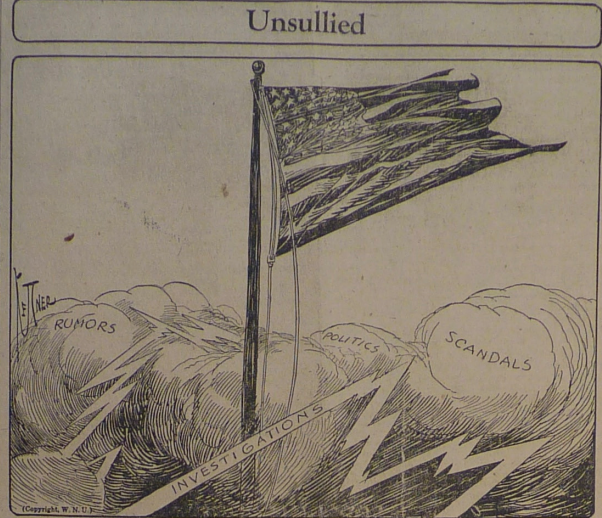

## Fire at Albrecht Home

The Pine City fire department was called to the Wm. Albrecht home on Cross lake last Monday afternoon.

Fortunately no damage resulted as it was only a chimney fire and burned itself out after the soot was scraped out. It was easy to get at as it was the fireplace chimney. Undoubtedly the excellent construction of the chimney and fire place is what saved the home from catching fire.

There was a strong wind blowing Monday that would have made fire fighting a hard matter if the house had caught and the flames would have spread rapidly.

## M. B. HURLEY CANDIDATE JUDGESHIP

M. B. Hurley, Pine City attorney, has filed for the nomination for district judge, which comprises Pine, Chicago, Kanabec and Washington counties.

Mr. Hurley is well and favorably known in this section of the state as he is the son of James Hurley and was born and raised in Pine City. He is a graduate of the local schools and the St. Paul high school. A graduate of the law school of the state university where he received his Bachelor of Law degree and also attended Yale where he received his Master of Law degree when he graduated with honors.

Upon completion of his law studies he practiced law in Pine City and was county attorney for two terms. Upon retiring as county attorney he went to Colorado Springs where he was associated with the law firm of Lunt, Brooks & Wilcox, one of Colorado's prominent law firms.

He entered the service during the war where he was a first lieutenant in the infantry until the armistice when he was assigned to the Judge Advocate headquarters at Toul, France, later being assigned to the Judge Advocate headquarters at Neufchateau. He embarked for home the day he peace treaty was signed in June 1919.

Since leaving the service he has been practicing law at Pine City as a member of the law firm of Hurley & Hurley, being associated with his brother, Matt Hurley, who looks after the St. Paul office. He is one of the leading attorneys of Pine county and they have a thriving practice in this section of the state as well as in St. Paul. He is a profound student of law and understands the fine points of law thoroughly.

He has taken an active part since his organization in Minnesota and was commander of the tenth district Legion. He is in considerable demand as a speaker at Legion meetings over the state, and is popular with Legionnaires.

Mr. Hurley is not only known as an attorney but will always be remembered as a member of the famous Hurley-Barrington baseball team. He was a member of the Minnesota University baseball team the years he attended there and was also a member of the Yale law school baseball team, his team winning the championship the year he played. He also won the championship

## Three Arrested on Liquor Charges

James Kozak and Henry Horn were haled into justice court at Pine City last Thursday on liquor charges. They were arrested by Sheriff Hawley and Deputy Jack Woodhead on complaint of Albert Johnson, county attorney. They were taken before Justice Chas. Stephan and each fined \$100 and costs.

The sheriff and his deputy also arrested Jacob Petry of the town of Finlayson last week. He was given a hearing before Justice Tomhave of Sandstone and fined \$100 and costs on a liquor charge.

cup in the individual handicap handball tournament that year.

In Mr. Hurley, Pine county has a candidate for the district judgeship of whom we can be proud, and one that we can conscientiously recommend to the district. He is a good, clean-cut American citizen, who can sit on the bench with credit to himself and do justice to the office. He has the education, training and experience to fit him for the position and has the ability to perform the duties of the judge of the district court.

This is the first time the northern part of the district has had the opportunity to select a judge and Mr. Hurley will undoubtedly receive the whole hearted support of Pine and Kanabec counties.

Judge Searles, present incumbent has filed for re-election, and Alfred Stolberg of Center City has also filed for the judgeship. Mr. Hurley was the last of the three candidates to file. One thing the voters can rest assured of in this campaign for district judge, in these days of fevered politics, is the fact that it will lack the usual criticisms and mudslinging that so often creep in, in the heat of campaigns, and will be conducted by these men in a manner befitting the office to which they aspire.

## Bank Officers Elected

The election of the tenth district bankers association, elected at the close of the convention held at Pine City, last Thursday resulted as follows:

K. M. Bohm, Long Lake, President.

C. M. Stolberg, Big Lake, vice president.

A. E. Eddy, Brook Park, secretary-treasurer.

Two elected to the executive committee were V. W. Peterson of Mora and A. F. Oberg Lindstrom.

## BIG CARD ARRANGED FOR LEGION BOXING SHOW, PINE CITY, MAY 16

Arrangements have been completed for the best boxing show that has ever been staged in this part of the state. The bout is being staged by C. E. Doran, Stillwater promoter, and held under the auspices of the local American Legion in the armory on Friday evening of next week.

The main bout will be six rounds between Gene Vadnais of Hugo and Ruddy Ily of St. Paul at 137 pounds. Ily is former state amateur champion.

Vadnais is a rugged fighter and is a strong contender for the state championship. He has fought Jack Murchie, Ray Grove, Billy Schauer and Irish Kennedy. The championship is now held by Guy Muro and Doran tried to match him with Vadnais for this bout but he was a little reluctant to take Vadnais on at this time.

The semi-windup will be between Howard O'Brien of Stillwater and Jimmy Middle of St. Paul. O'Brien is some fighter. Two weeks ago he saved Kid Boyden of St. Paul at a bout in Stillwater and last week he repeated on Kid Ruff. The Stillwater Gazette had the following to say of last week's bout:

"Howard O'Brien registered the only knock of the evening when he sent Kid Ruff of Minneapolis to the canvas in the second round after missing an opportunity to do the same thing in the first round when Ruff was sent reeling to the canvas with a vicious short right hook."

O'Brien proved himself to be a dangerous boy, and ex-

hibited considerable cleverness handling himself well, although he did pass up the opportunity of ending it in the first round. Ruff did not have much time to demonstrate his ability, for O'Brien started in at the first bell, shooting vicious short jabs with a telling effect.

Bill Skram a stable mate of O'Brien III met McPadden of St. Paul. Skram is a good fighter and gave a good account of himself at Stillwater last week.

Keen rivalry has developed over the local bouts. Lee Arder will mix with Bob Rogers of Hinckley. Lee is working in St. Paul and is in training every night at the Rose Room athletic club there. Rogers is also working every night and will be in good trim for the bout.

Stonewall Jackson of Cambridge will take on Les Richards of Pine City. Les is hard at work training and Bill Korbel and some of the boys are working him out daily.

Rink VonBusch of Meadow Lawn will fight it out with his brother Art. This promises to be a real bout and already has all the Lawn boys up on their toes waiting for the fray.

Johnnie (Kewpie) Erle former bantam weight champion of the world will act as referee and his appearance as arbiter will be a treat to local fight fans.

Tickets are now on sale and they are going fast. Fans are urged to make their selections early so plenty of seats will be provided for the large crowd that is expected.

## FIRE AT JOE HEJNY FARM LAST SUNDAY

Quick work of neighbors saved the Joe Hejny farm home from destruction by fire last Sunday morning about 11:30. A wood pile containing 6 or 7 cords of wood was burned up and the roof of the granary was damaged.

Mr. Hejny and family were in Hinckley and there was no one home. Frank Miska, a neighbor whose farm adjoins the Hejny place, saw flames and called other neighbors to help. They succeeded in saving the granary and kept the flames from spreading to other buildings. But for their quick work the chances are all the buildings would have been destroyed.

It is thought the fire started from a potato cooker which was out in the yard.

## Card of Thanks

I wish to express my sincere thanks to my neighbors who put out the fire and saved my buildings when the fire started at my farm last Sunday morning.—Jos. Hejny.

## "HAPPINESS LOOKS LIKE ANOTHER PRIZE"

Robert E. Sherwood, famous movie critic of New York Herald and Life, classed Laurette Taylor's "Peg O' My Heart" as one of the best pictures made during 1923. Mr. Sherwood's selections were made with a great deal of discrimination and have been looked upon as accurate criterion.

Now Mr. Sherwood declares he is looking forward in keen anticipation to include "Happiness." Miss Taylor's latest Metro picture, to be shown at the Family theatre Saturday, on his list of perfect pictures of 1924.

"Happiness" was adapted from the screen by J. Hartley Manners from his stage play of the same name.

## Minors Must Buy Licenses

A decision of the state supreme court holds that all minors must buy a hunting license the same as adults. A minor brought action against Auditor Erickson of Hennepin county to compel him to issue a license with charging a fee.

The case was carried to the supreme court and the court held that a fee must be charged, that the issuance of license with charge was unconstitutional.

Heretofore all hunters under 21 years of age have been issued hunting licenses without fee being charged.

## EGG AND POULTRY ASSOCIATION TO MEET

Out of town speakers are expected address the gathering and tell of the movement of how to get more money for eggs and poultry. Everyone is invited to be present.

The matter of moving the village horse shed and cleaning up the local pack and wood yard was discussed and upon a motion made by Clerk C. M. Pennington, 2nd by J. H. Woehrie, and properly supported, it was decided to move the sheds to a place south of the water tank and to grade up the road running south along the west side of the Inter State Lbr. Co. sheds. H. W. Daley was appointed as a committee to carry out said work.

There being considerable complaint filed with the Fire Chief and Village Council in regard to the way people jump on and off of the fire truck while in progress and the conduct while at a fire; it was decided that the clerk publish a notice forbidding any person to ride on said truck or to interfere with the operating of the fire apparatus at a fire, unless they are firemen or persons called upon to help, by the fire chief or any member of the Council.

The bond of John Biederman as marshal with J. D. Boyle and Robert Wilcox as sureties in the amount of \$200 was offered and properly accepted.

## 1924 vs. 1913

IN THE advertising columns of this paper, the Standard Oil Company (Indiana) has stated repeatedly that the price of gasoline is low, and particularly so by comparison with the price of other products.

To confirm the truth of these statements, your critical attention is directed to the table below compiled from statistics of the United States Bureau of Labor and Department of Commerce, showing the price level of various commodities in January, 1924, as compared with that of 1913—taking the latter year as 100:

Gasoline	97.0
Fuel	135.2
Potatoes	140.2
Farm Products	144.0
Milk	155.5
Butter	158.7
House Furnishing Goods	176.0
Building Material	311.0
Sugar	196.3
Cloth and Clothing	200.0

Average for all commodities 151.

The average man has come to accept the fluctuation in the prices of milk, butter, sugar, potatoes, and like products, as natural. This acceptance is so well established and time-honored as to be a prosaic incident.

The buying of gasoline is relatively a new experience.

The economical production of gasoline requires large investments, which are possible only with big institutions of vast capitalization. Because of this, the petroleum industry has come in for criticism that does not fall to the lot of other industries.

The above bulletin proves conclusively that the price of gasoline is low and that the dollar in 1924 will buy more gasoline than it could in 1913. This demonstrates the efficiency of the petroleum industry, in which the Standard Oil Company (Indiana) is proud of its position as a leader.

This Company has earned its leadership by the every-day practice of fairness, equity and justice to all—consumer, employe and competitor—in such a manner as to have gained the confidence, respect and esteem of the thirty million people of the Middle West.

Left Farm Once Only. Iowa City—Eighty-eight years on one farm, the longest absence being one of nine weeks, is the life history of B. Zeiler, who has just celebrated his fifty-eighth birthday. Born on a farm one mile north of North Waukegan, Ill., there his entire life. His longest absence was of a time when he made a cross-country journey from man to ocean.

Boys Breaks Woman's Leg. LOSER, S. M. Noy, Cal.—Mrs. John Gray, an elderly blind woman, suffered a severe fall when a boy fell from her. The woman was seated upon a bench listening to an address given by a young man. The boy, perched on the limb overhead, became frightened and lost his hold.

ST. PAUL RE-ELECTS MAYOR

Arthur E. Nelson Returned to Office After Most Bitter Campaign.

St. Paul, May 7.—Arthur Nelson was re-elected as Mayor of St. Paul, defeating George L. Siegel, the Labor candidate, in one of the hottest campaigns in the history of the city.

Unofficial returns indicate that Mayor Nelson would have a majority of nearly 5,000 in total vote between 67,000 and 70,000.

Mayor Nelson assumed a lead in early tabulation of the vote. Scattered precincts had been tabulated.

The campaign itself was marked by more bitterness than has been witnessed in any election in St. Paul.

After the primary election, both candidates began a speaking campaign that took them to every ward of St. Paul.
