Odland for Congress

Prof. R. B. Anderson of Madison, Wis., the eminent Scandinavian scholar and former U. S. Ambassador to Denmark has endorsed the candidacy of Martin W. Odland for Congress on the Farmer-Labor ticket. Prof. Anderson says:

"To the Voters of the Tenth Congressional District, Minnesota:

"I wish, with all the emphasis I can pack into words, to urge the nomination and election of Martin W. Odland of Robbinsdale, Minn., as a representative in congress. I have known him for 25 years and have the utmost faith in his character, integrity and ability. He made a brilliant record as a student in the University of Wisconsin and as an instructor in high schools at Madison and elsewhere in Wisconsin. He also became widely known here as a writer and speaker. I feel certain that if he is elected to congress he will soon take the rank among the ablest champions of the people's cause at Washington. He has always lived among the common people and knows the common people's views and needs."

(Signed) Rasmus B. Anderson.

Glycerine Mixture Prevents Appendicitis
Simple glycerine, buckhorn bark etc., as mixed in Adrika is excellent to guard against appendicitis. Most medicines act only on lower bowel but Adrika acts on BOTH upper and lower bowel and removes all gasses and poisons. Bring out matter you never thought was in your system. Helps any case get on the stomach in Ten minutes. Prochaska's Pharmacy.

Atmosphere Changed.
Wife—You used to rave about how fair I was.
Hub—Yes, but now you do nothing but storm.
Wife—What's the matter?
Hub—The matter of All.
Wife—What's that?
Hub—You're a stormy petrel.
Wife—What's that?
Hub—You're a petrel of a storm.

Unused Town Cage Now Scrap Heap
Corryingham, Pa.—The town cage built by the Corryingham town council when this place was formed into a borough 23 years ago was thrown on the scrap heap at the blacksmith shop of Harry Becktoe recent ly. The cage was to have served as Corryingham's looking and was kept in the old Keady, but in all the time that the borough exists it failed to get an arrest was made for infraction of the law.

Frank H. Keyes

Frank H. Keyes, who was elected four consecutive times as the workers candidate for mayor of International Falls, has filed on the farmer-labor ticket for lieutenant-governor. Opposed to him in each contest were candidates supported by the northern Minnesota lumber interests. Keyes was born and raised at Cold Spring Minn. and prior to locating in International Falls was a member of the Brotherhood of the Great Northern at Melrose.

Keyes was a candidate in 1922 on the farmer-labor ticket for the office of state treasurer and came within a few thousand votes of being elected. Besides conducting a hardware store in that city, Keyes operates a farm close to International Falls.

He favors conservation of the state's natural resources and encouragement of settlers to the unbroken far areas of Beltrami, Koochiching, St. Louis and other northern counties of the state.

Inserted by the Frank H. Keyes Campaign Committee, Minneapolis, Minn.

A Beggar's Advantage
"Why is a strong man like you found begging?"
"Ah, madam, it is the only profession in which a gentleman can address a beautiful lady without the formality of an introduction."

"BEST IN THE LONG RUN"

Measure Gasoline Cost by Service

MEASURE the value of the Standard Oil Company (Indiana) gasoline service by the year—by each individual purchase—or by the life of your motor.

When you have considered all the factors involved, you will admit that for dependability and convenience this service is unequalled by that rendered by any other organization, producing commodities entering into your daily life.

Dependability is the essence of Standard Oil Company (Indiana) service. You may buy the products of this Company with the complete assurance that they are of uniformly high standard of quality no matter where or when you get them.

For convenience, Standard Oil Company (Indiana) gasoline service is available in its trim, efficient and byways.

The scope of this service is broadened by the factors of this service convenience.

most of the large plants in the country by this Company find it profitable to utilize the Standard Oil Company (Indiana) as a source of supply.

The service is of varying types—from tank car deliveries to factories, tank wagon deliveries to farmers, and others having storage facilities, to small deliveries at service stations—all are made with infinite care and extreme efficiency.

The reliability of Standard Oil Company (Indiana) service and the high quality of its products is admitted by all. They lengthen the life of your motor—lower your operating cost—minimize your repairs—and increase your pleasure in driving.

No matter where you may be, every service station attendant, every salesman, or other employee of the Company with whom you may come in contact, will regard it as a privilege to be permitted to serve you.

Service of the Standard Oil Company (Indiana) recognizes no obstacles and admits of no delay—it is where you want it, when you need it, and as you can best use it.

It's what Oakland gives for \$995 that counts

Bear these facts in mind in choosing a car:

- Be sure that the engine in the car you choose incorporates the very latest design and construction.
- Be sure you get the latest braking system. Four-wheel brakes are safer. Don't buy a car without them.
- Ordinary body finishes are perishable and easily marred. Get the facts about Oakland's new finish.
- Observe whether driving controls are convenient. Compare other cars with Oakland in this respect.
- The tendency is toward a more substantial top for open cars. Examine cars with this point in mind.
- Although disc steel wheels are superior, most builders in this class make you pay extra for them.
- Note the body design and workmanship of cars in this class. Are bodies attractive and substantial?

Here are the advantages Oakland offers:

- Oakland's engine is the last word in advanced design. Automotive engineers praise its construction.
- The Oakland Six has four-wheel brakes at no added cost. They are sound in principle and practice.
- Oakland alone, in its class, has a special new finish which will not check nor lose its lustre.
- Oakland's controls—all of them except gear shift—are on the steering wheel; an exclusive feature.
- Everyone likes Oakland's permanent top. Curtains fit better and glass enclosures can be added.
- All True Blue Oakland's have disc steel wheels at no extra cost. They are better looking and safer.
- Oakland's seven distinctive bodies are Fisher-built. Everyone comments on their smart appearance.

The True Blue Oakland is built and priced to be the leading value in its field.

Local Happenings

Frank Tone was here Sunday for a visit with his mother.

Miss Margaret Hurley is home from her teaching at Baudette.

John Hagen came up from the Twin cities last Saturday where he has been employed the past few months.

Mrs Labodney and daughter, Miss Ella, and Teddy Bussell, meir drove to Hastings last Sunday.

W. H. Hamlin left for the Twin cities yesterday to attend the grand lodge meeting of the Oddfellow lodge.

Richard Buchan came up from St. Croix Falls last Tuesday where he spent the past week with his grandparents.

Ernest Wilcox spent Sunday with his folks here. He is the keeper on the county road job east of Sandstone.

Mrs. J. V. Jorgensen went to Minneapolis the latter part of last week for a visit with relatives there.

Maurice Weinberger is home from St. Thomas college and will visit for a short time with his folks here.

Jos. O'Brien was up from Minneapolis Saturday and spent the week-end at the Phil. Mäysoe home.

Misses Francis and Mildred Rice arrived from Clairmont S. D. last Saturday for a visit at the home of their sister, Mrs. J. P. Buchan.

Mrs. Fred Brandes came up from St. Paul Saturday to spend the week-end with her parents Mr. and Mrs. Jos. Thier.

Mrs. Elmer Teel came up from Minneapolis the first of the week. She was accompanied by her sister Miss Elizabeth Roberts.

Mrs. Swan Severson and children left for their home at Kerhoven, last Monday, after a few days visit at the Dyrlund home.

James Proferi left for Twin cities last Saturday where he will have a medical examination for his eyes. He returned home the first of the week.

Miss Doris Allen who has been teaching at Hopkins the past year, came home last week for a visit with parents Mr. and Mrs. R. P. Allen.

Dr. and Mrs. Sculley and children returned home from LeSeuer last Saturday where they visited the past week with relatives.

Mrs. Wm. Bantleon entertained a few friends at her home, last Friday afternoon, in honor of Mrs. J. Y. Breckenridge Jr.

Jim Wandel jr., local manager of the telephone company, was a caller in Duluth at the office there the first of the week.

Jack Egan visited at the Jas Hurley home Tuesday. He drove up from the cities with Mr. Hurley and the girls Monday.

Phil Hamlin and family are here to spend the summer vacation at the home of his father, W. H. Hamlin. Phil was superintendent of schools at Mount Lake, Minn.

Leonard Melsha is able to be up and around in a wheel chair. His health is slowly improving and it will not be long until he will be able to romp around again.

Miss Nearson, who has been employed in the office of the Power company has resigned her position and left for her home at Gary last Sunday morning.

Mr. and Mrs. Jos. France, who live 6 miles west of Pine City, left for Olivia last Saturday where they will visit this week with relatives and friends.

Miss Lela Beery left for Storm Lake, Iowa last Saturday where she will visit with relatives. She will play in an orchestra there during the summer vacation.

Miss Carl Wallace and son Bobby came down from Duluth the latter part of last week for a visit at the home of her parents, Judge and Mrs. Robt. Wilcox.

Miss Dora Henderson of the telephone company is now chief operator of the line. She has changed the position vacated by Miss Grace Erickson. Miss Edna Playten has gone to work in the local exchange.

A \$4 pound baby daughter was born to Mr. and Mrs. Peter Resch at the Rush City hospital last Friday. The Pine Polkov is pleased to extend congratulations to the happy parents and will welcome the little lady of Pine City.

Mr. Boo ar of Stillwater visited at the homes of his sons Ben and Clint the first of the week.

Ed Hakos jr village marshal this week, substiting for John Biederman. Mr. Biederman has been marshal of Pine City for the past eleven years and this is his first regular vacation during that time.

Walter Lohmar of St. Paul was a visitor in town last Saturday night and Sunday. He is a former resident of Pine City and was in the plumbing business with Al Oman leaving here about 3 years ago.

Mrs. J. Adam Bede and granddaughter, Miss Virginia Bede, left for St. Paul Monday where they will attend the Macalester graduation. Miss Lona Bede graduates from Macalester this week.

Dewey Wilcox, John Biederman and Mr. and Mrs. J. M. Collins left for Mankato last Monday to attend the state firemen's convention to be held there Tuesday and Wednesday. They made the trip in the Wilcox car.

Dr. and Mrs. Wiseman, accompanied by Adele Carlson and Alice Shney, drove to St. Paul last Sunday to bring their daughter, Grace, home. Grace is getting along fine following operation for appendicitis.

Mrs. Douglas Greeley arrived from California last Saturday and will return this fall. There were 3,000 students last term.

Mrs. Louise Woehrl arrived from Cedar Falls, Iowa last week and will spend the summer vacation at the home of her parents here. She attended the Iowa teachers college there and will return this fall.

Ray Post of Slayton, Minn., arrived last week and has taken a position as member of the Poker force. He will operate the Linotype, typesetting machine, and will do other work connected with the shop. Ray spent the last six months in the Hinckley News office and already has quite an acquaintenship in Pine county.

Bob Woehrl, son of Mr. and Mrs. J. H. Woehrl, has been elected with another student

deceased, Louis Davis, visited here at the Davis home last week. He leaves his wife and two children. His death came unexpectedly as he was only sick ten days with an attack of pneumonia.

Mr. and Mrs. Wm. Pressnell drove down from Coique last Sunday, to meet his sister, Mrs. Fannie Labing, who returned to Coique with them after visiting friends here. Mr. and Mrs. Pressnell are former residents of Pine City, and Mrs. Pressnell will be remembered by old timers as Georgia Buttrick.

Loyal Hunt arrived from the Black Hills country in South Dakota, the 12th of the week. He was there as a witness in Federal Court. A man was found guilty of using the mails to defraud in which he sold and misrepresented public land in the counties of Itasca and Aitkin, and was given a term in Leavenworth.

Henry Davis was called to Ironton last week by the death of a nephew. Mr. Davis was in the Twin cities when he received news of the death and went to Ironton for the funeral held there last Thursday. The

of Hamline university to get out a student book for the university. This will take most of the summer vacation and will not be quite a little money for his work. Bob and his schoolmate were the two high men in the election held

by the students.

Mercy Pink. Misses—Why are you sitting in the chair reading, when I sent you to dust the room? Servant—Oh, madam, I couldn't find the dust, so I'm dusting the chair by sitting on each of them in turn.

Every Home Should Have This Wonder Cook Stove

Every woman can now enjoy the convenience, cleanliness and comfort of cooking with gas. This new Albert Lea Kitchen Cook makes its own gas from common gasoline, burns a clear blue flame, free from smoke, soot and odor, with 50 to 100 per cent more heat than common oil or gasoline stoves.

It not only produces a hotter fire, but the flame comes in direct contact with cooking utensils. There are no heat-wasting "chimneys," no wicks; burners cannot clog and never require cleaning.

Let us demonstrate this better stove and explain the Safety Test for you

The Store of Personal Service

51% Are De Laval's

The overwhelming number of De Laval Cream Separators in use is proved in a striking and forcible way by three recent investigations conducted by disinterested people, covering most of the principal butter-producing states:

(1) From an investigation conducted by the *Pacific Agriculturist* (Indiana), *Iowa Agriculturist*, *Central Courierman* (New York), *Agricultural Student* (Ohio), *Penn State Farmer*, *Tennessee Farmer*, published by the students of the various agricultural colleges in question and their readers, who received the questionnaires and either graduates or former students.

64.8% use cream separators of the following makes:

50.6%—De Laval.
10.8%—Nearest competitor.
(2) Sixty-two per cent of the cream separators on 388 representative Minnesota dairy farms, selected at random and over a wide area, are De Laval's, according to a survey recently made by the *Farmer*, of St. Paul.

De Laval—62%
Nearest competitor—6.4%
(3) From the Dairy Farm Survey of *Hoard's Dairyman* (the foremost dairy paper in the world, having a circulation of approximately 85,000 at the time of this investigation).

Have you a cream separator?
80,000—Yes.
What make?
41,188—De Laval.
16,744—Nearest competitor.
15,267—average number of De Laval's, based on the foregoing, which confirms the well-known statement that there are about as many De Laval's in use as all the rest combined.

The only reason there are so many more De Laval's in use is that it is the best separator—skims cleaner, lasts longer, and is easier to clean and turn.

BEST PLACE IN PINE COUNTY TO BUY HARDWARE AND MACHINERY

TO BOMB CANNIBALS FROM AN AIRPLANE

American Explorer and His Wife Go to South America.

New York.—A large seaplane with bombs to be used against cannibals, apparatus for the establishment of a powerful broadcasting station and high speed, shallow draught power boats form part of the equipment taken by Dr. Alexander H. Rice, noted surgeon and explorer who sailed recently on the first leg of an expedition trip which will last two years and will take him into sections of South America not yet reached by the white man.

Accompanying the explorer is his wife, the former Mrs. George D. Wilson, who lost her first husband and son in the sinking of the Titanic. Walter Hinton, who made history when he piloted the N-4 across the Atlantic, is also a member of the party. The objective of the expedition will be the location of the Rio Orinoco. This trip will be the most extensive ever undertaken by Doctor Rice, who already has made two expeditions to reach the river's source. Mrs. Rice has accompanied her husband three times. The leader of the expedition hopes to be able to trace the Orinoco to its source and return with accurate maps.

To Bomb Hostile Indians.
One of the most serious obstacles the members of the party will have to overcome is the hostility of a tribe of cannibal Indians. The route of the expedition lies through country never trodden by white men. It is populated by fierce and warlike natives and it is to fight these Indians that the bombs are being taken. Hinton will be in charge of the aviation section of the party and James W. Swanson, radio operator, will supervise the erection of a powerful radio broadcasting station and receiving set with which it is hoped to keep in constant communication with the outside world.

The country which Doctor Rice has set as his goal is probably the least known of any part of the earth. Colonel Roosevelt in his famous expedition up the River of Doubt discovered parts of it, but, according to Doctor Rice, there are still thousands of square miles unexplored.

The party will make its first stop at Para, Brazil. Swanson will first go to Rio Janeiro and then travel north to meet the rest of the party at Manaus, where the Negro river joins the Amazon. At this point a steamer will be chartered for the voyage up the Rio Negro to a point where the radio station will be established near Bunn Vista.

Spent Honeycomb on Amazon.
An effort will be made to cover the whole journey by water and for this reason a specially built shallow draught motorboat is being taken. It is known that the river follows its course through almost impenetrable jungle abounding in poisonous insects and reptiles.

Besides the main power boat the party is taking several smaller craft with portable engines. Canoes will be prepared at Para. The radio set has cost \$12,000. It will be stored in a code book as W.S. The letter recently assigned to the station by the Department of Commerce. Doctor Rice is a Harvard graduate, class of '08. He formerly was one of the leading surgeons of the Massachusetts general hospital in Boston and is a member of many leading Boston clubs.

Doctor and Mrs. Rice were married in 1910 and spent their honeymoon on an expedition up the Amazon river. On this trip Mrs. Rice founded schools for Indian children and during the present voyage she will take the opportunity to visit these schools and, where profitable, establish new ones.

In 1919 Doctor and Mrs. Rice made a second expedition in search of the source of the Orinoco and also of a tribe of supposed "white" Indians which are believed to be in that region.

San Francisco Shaves Walks to Help Traffic

San Francisco.—San Francisco is shaving its sidewalks. The automobile has come to be so common that community for San Franciscoans walk to combat traffic congestion, the man at the wheel is to take some of the blame formerly dedicated to the man on foot.

In a population of 600,000 persons within the city's area of 42 square miles, there are 90,000 motor vehicles. Traffic congestion has become so great that city officials have decided that 12 main arteries of automobile travel must be provided through the city.

The policy has been adopted that when any through streets are repaired the roadways will be widened by cutting down the sidewalks to ten feet.

Oldest Greek Manuscript in the Euphrates Region

Paris.—French archaeologists working in Syria have discovered at Salbyeh, in the Euphrates region, a Greek city founded just after the death of Alexander the Great, 2246 years ago, and abandoned in 273 A. D., when the desert sands covered it. Among the objects dug from the ruins are a number of parchment, one of which, written in 189 B. C., is said to be the oldest Greek manuscript extant, and a series of valuable mural paintings.

Police.—Dr. R. O. Miller, an American missionary and Dr. Jeffrey, an Englishman, who were seized by Chinese bandits in Kwang-shi province, have been released, but the fate of 16 other American and 10 British missionaries is still in doubt. It was reported from Kwailin that Dr. Miller and Jeffrey were liberated to arrange for terms of release for the others.

Rescue.—An American missionary, who was captured white on a rescue trip, and Dr. Crane, an Englishman, are still detained by the Chinese.

(Paid Advertisement).—Ordered inserted and paid for by Martin A. Hogan, 3518 Dupont Ave. N., Minneapolis.

Martin A. Hogan For Congress

Compel the heavy trucks and buses to pay their proportionate share. Allow the Railroad & Warehouse and the Interstate Commerce Commissions to control the interstate truck and buses. Make our highways self-sustaining. LOWER TAXES.

There are many other equally important matters I would like to mention, but space prevents. However, I wish to say that should I represent this district, I shall allow your wishes and my life's experiences to guide my judgment and my conscience to be my guide. In conclusion I shall ask that when at the poles, June 19th, you call for a Farmer-Labor ballot and vote for Martin Hogan, a real progressive, for Congress.

STOP THAT BACKACHE Many Pine City Folks have Found the Way.
Is a dull, aching, nagging backache wearing you out? Do you feel older and slower than you should? Are you tired, weak and nervous? Find it impossible to be happy or enjoy the good times around you? Then there's something wrong and likely it's your kidneys. Why not get the cause? Use Doan's Pills—a stimulant diuretic to the kidneys. Your neighbors recommend Doan's, because this is Pine City resident says:

Mrs. C. Gehl, says: Cutting, bearing-down pains in the small of my back were severe when I stopped. I also had dizzy spells and black specks came before my eyes, blurring my sight. My kidneys acted up frequently. I knew of Doan's Pills and thought I would try them. Two boxes from the Breckenridge Pharmacy cured me."

P. Lee 606 at all dealers. Don't simply ask for a kidney remedy. Get Doan's Pills—the same that Mrs. Gehl had. Foster-Milburn Co., Mrs., Buffalo, N. Y.

Appreciating the impossibility of reaching all the voters of a congressional District personally, time and finances for bidding, and believing from the time a candidate files for office he owes the voters the duty of informing them about himself and his principles, I wish to convey to you this message that you may know something of me and the things of interest for which I stand and measure. I advocate, and thereby enable you to pass judgment upon my qualifications for that great office to which I aspire.

I am a native of Minnesota, born at Rochester in 1897. Early a student in rural schools at my home, I engaged as a railroad brakeman. At age of 21 promoted to position of conductor. In 1908 left railroad service and became a traveling salesman, later engaged in business for myself. During the world war, realizing the dependency of my family, and some of us had to engage in a useful production occupation. I returned to the work I was best fitted for, that of a railroad switchman. In that I have the distinction of being the only candidate for Congress in the 10th Congressional District, on the Farmer-Labor ticket to engage in useful, producing occupation during the World War I realized then, I do now that to get results in a righteous cause, it requires not idle talk but action, and in those distressful days, instead of occupying my time in writing or preaching for money consideration, or otherwise, in condemnation of those responsible for our entry into that terrible conflict, I saw, as any other true American citizen did, to hasten the end of that conflict, a duty to perform, and I performed. It got into action and remained there until the close of the war.

After that I aided to my education, and later attended night law school, and was admitted to practice law at the age of 41. I have since handled 130 law cases and have lost but four.

I have lived in the 10th district not three months; not twelve months; but 12 years; and am familiar with the rural sections of the district. Therefore I am somewhat familiar with the wishes and the needs of the citizens and tax payers of the district.

I expect the voters of the district will send me to Congress to represent them, and if so I shall exert my every effort to truthfully and honestly represent the farmer; the wage earner and the business man and professional man and women of the district, and I hope to compel the greedy corporation and capitalist to realize Minnesota has sent a man to Washington, who is untried to grapple with them in the interest of a square deal for the men and women who sent him there.

I shall endeavor to follow the principles laid down in the Farmer-Labor platform. I shall endeavor to have enacted into laws every measure possible that will be beneficial to the farmer, the wage earner and the small business and professional man and woman, and guard against and shall oppose measures tained with an extravagant expenditure to carry out the terms of any measure.

I still urge the repeal of the Esch-Cummins bill and endeavor to replace it with a law that enable the railroads to reduce their freight and passenger rates with out interfering with their operation. IT CAN BE DONE, and without reducing the wage earners' income.

RESULTS, LOWER COST OF LIVING. I shall urge the pruning out of some of the thousands of useless government employees from the pay rolls TAX REDUCTION.

I shall urge a uniform automobile license law for all the states on a weight basis and

Strange Is Right. It's a strange case. When you call millions quiet who still can bleed. Without the aid of pain.

But Not Alas. Some day a paper secretly will cause the world to fret. The poor old paper man may be of some slight value yet.

The Housewife's Lament

"I need a new dress and I don't know what to buy." Or—"What shall I have to eat today?"

The housewife is constantly facing these questions--what is she going to have for the next meal and what she is going to wear every time she leaves her home. Three times a day, year in and year out, she asks herself the question about a menu. Not so many times, but frequently during the year she is confronted with the problem of buying new clothes.

The housewives of Pine City and vicinity know where to seek the answer. They find it in the advertising columns of The Pine Poker. For years they have found it there. The advertisements keep them as well informed on the subject of food and wearing apparel as the news columns do on current events.

The advertisements of this paper are as much an institution as any of the editorial features. They are anticipated, expected, read, and most important of all, Believed.

G.O.P. BOULEVARD IN COOLIDGE HANDS

Theodore Burton, Chairman, Says People Look to Coolidge For Leadership.

Convention Hall, Cleveland—The republican party was called upon by Representative Theodore Burton of Ohio, the temporary chairman of its national convention, to rally around the leadership of Calvin Coolidge.

Chairman Adams of the national committee brought the gavel down promptly at 11 a. m. and routine organization work was quickly disposed of. Full delegations on the floor and galleries well filled, but now crowded, followed closely the speech of the chairman, which sounded the keynote of the coming campaign.

Chairman Burton's plea for a majority in next congress made up of "republicans, tried and true, who will stand united," brought cries of "yes" from the demonstrators in the convention.

"The people—and all the people—have confidence in Calvin Coolidge," Representative Burton declared in sounding the keynote of the convention.

Mr. Burton asserted that "by far the greater abode of our citizenship looks to President Coolidge rather than to congress for leadership," and urged the party to take its stand with Mr. Coolidge on all the controversial issues which have arisen between the executive and some members of the republican majority in congress.

He recommended that the party declare for American adherence to the world court with merely the Harding Hughes reservation, and that congress resist to accede to Mr. Coolidge's wishes in enacting the Japanese exclusion provision of the immigration bill. He declared the new tax law abundant in defects and should not be taken as the last word in revision. He demanded enactment of the bonus bill over the president's veto with the assertion that "conditions created by it must be met and its provisions must be willingly accepted."

Brooks is National Committeeman. Minnesota delegates at the Republican national convention held a caucus on the special train on route to Chicago and elected State Senator William P. Brooks of Minneapolis as a new member from Minnesota on the national committee. He defeated Fredrick H. Carpenter of Minneapolis. They named Mrs. Manley L. Fossett of Minneapolis as the woman member of the committee. The election of Senator Brooks ended a long contest between his supporters and those of Mr. Carpenter.

CONGRESS QUITS; BIG BILLS COST A Last Minute Move for Farm Relief is Blocked in the Upper House.

Washington—Congress ended its six-months session in an atmosphere of controversy and turmoil following the bitter dissension which has marked its proceedings from the start. Western senators and representatives in the final hours of the session fought and lost a desperate fight for legislation to relieve the farmer and to reform the reclamation policy of the government.

Many other measures, including the bill authorizing construction of new cruisers and modern battleships, and the deficiency appropriation bill, carrying funds to begin operation of the bonus law and for many other purposes, failed in the final crisis of legislation when the session ended automatically.

Republican leaders declared that only a special session of Congress could provide the necessary funds for the initial costs of the compensation measure.

The postal salaries increase bill, passed by the Senate and House by almost unanimous votes, was vetoed by the board when President Coolidge vetoed it on the ground that it was "extravagant." No effort to call it up for passage was made in the short time remaining.

Wilcox-Clover Families Picnic

There were a hundred or more relatives at the reunion picnic of the Wilcox and Clover families held at the dining room of the City last Sunday afternoon. The picnic was held on the 80th birthday of Mrs. Sam Starkweather of Sunrise, on the day of the late Oliver Wilcox, father of Judge Wilcox of Pine City. Sunday was also the birthday of Mrs. Robt. Wilcox of Cambridge. It was a genuine old time picnic, with lots to eat, and a regular talkfest when all the folks got together.

Most of the names of all those here, but will give most of the families represented. Of course each family named had a few boys and daughters there with their families. There were the Robert, John D., and Eugene Wilcox of Pine City; the Gene Barham of St. Cloud; the Bert Lloyds and Grays of Pine City; Marion Warner of Harris, Roy Warner of Stacy, John Wilcox and George Wilcox families, Mrs. Sam Starkweather and son and daughter, Chas. and Minnie Wilcox, Glen Clover and family, George Collins, Chas. Moquist and family of Sunrise, Bob Stees and family of Moose Lake, Harry Priester and wife of Sandstone, Chas. Hanson and wife and Mrs. Maude Chaffee of Hinckley.

Phyllis Hornberg Funerl

Funeral services were conducted by Rev. Johnson from the Wesleyan Methodist church, last Saturday, for Phyllis Hornberg, three year old daughter of Mr and Mrs. Eric Hornberg, and the little body was laid to rest in the Royalton cemetery.

Two little girls, were the pall bearers of their little playmate. Linnæa Hagline, Mary Soren, Myrtle Johnson and Winnie Martinson, Sadie Carlson and Viola Carlson bore the flowers that were a true testimony of the sympathy of the friends of the little one.

Phyllis Hornberg was born on the farm, W. R. 129 her death was a sudden shock, coming after only a week's illness. She leaves her parents, and four brothers and one sister, Vladimir, Earl, Reynold, Roger and Lila.

Card of Thanks

We wish to express our sincere thanks to our many kind friends and neighbors for their sympathy and assistance and for the beautiful flowers and funeral of our beloved daughter and sister, Mr. and Mrs. Eric Hornberg and children.

AT THE THEATRE

A stampede of over 4,000 head of cattle is one of the thrilling episodes in Metro's Feather, which is coming to the Family Theatre. The stampede was filmed, with great danger to the cast, on location at the foot of the Sierra Mountains. The entire herd consists of the same animals which were used in the picture a few months ago. The picture is shown at the Family Theatre Sunday and Monday.

Roll Ship Monday

Eric Wilcox will ship a carload of stock from the Beroun yards next Monday. See him if you care to ship.
