### TO CALL ANOTHER PARTY ON YOUR LINE

Dial the special number for the party you are calling. (It may be found on the card which lists the other parties on your line.) If you do not have the special number, call 629-2551.

After dialing the number in the usual manner, hang up your receiver, and the bell of your telephone and the bell of the called telephone will ring. When the person called has answered, your bell will stop ringing and you may remove the receiver and start your conversation. If your bell does not stop ringing after a reasonable period, it indicates that there is no answer to answer at the called telephone. You then should remove your receiver for a few seconds and replace it. This will stop your bell from ringing and disconnect you from the called telephone.
