# PLEASE MAKE ONLY URGENT LONG DISTANCE CALLS

Long distance telephone lines are carrying a heavy load of war-time calling. More lines cannot be built because the materials needed are going to the fighting front. You can help by making only urgent long distance calls . . . unless the calls are to nearby communities. When a call is necessary, please be brief.

*If you must call long distance, the rates below may be helpful. They are for 3-minute conversations except for station-to-station calls of 25c or less on which*

*you can talk 5 minutes. Night and Sunday rates are in effect from 6 P.M. to 4:30 A.M. and all day Sunday. Rates do not include Federal Tax.*

"The policy of this organization, as a part of the Bell System, is to provide at all times the best possible telephone service at the lowest rates consistent with reasonable earnings and fair treatment of employees."

NORTHWESTERN BELL TELEPHONE COMPANY

## USE OF THE TELEPHONE

Obtain the correct telephone number from the directory before making a call. If it is not listed call "Information."

Speak slowly, clearly and directly into the telephone, with your lips close to the mouthpiece.

Answer your calls promptly. Failure to do so may result in the loss of a message. Giving your name or the

name of your firm when answering, identifies you and saves time.

When your conversation is completed hang up the receiver and, if at a magneto telephone, give one short turn of the crank. This gives the operator the disconnect signal.

Keep the receiver on the hook when the telephone is not in use or your line will be out of order.

## LONG DISTANCE SERVICE

**TO MAKE A LONG DISTANCE CALL,** ask for "Long Distance." Give the operator the name of the town you are calling, the telephone number if known, or the name and address of the residence or business firm being called, followed by your own telephone number. If you wish to talk to a specified person, also give the name of that person.

**A STATION-TO-STATION CALL** is one on which you will talk with anyone available at the called telephone. Charges for these calls are based on an initial period of three minutes, except to points for which the rate is 25 cents or less, where the initial period is five minutes. Station-to-Station calls cost less than Person-to-Person calls, described below, because less operator labor and less use of long distance facilities are required to complete them.

**A PERSON-TO-PERSON CALL** is one on which you specify a designated person, or an extension or department off a private branch exchange switchboard, to be reached at the called place. Charges are based on an initial period of three minutes. If the party cannot be reached directly by telephone, the operator, at your request, will arrange to send a messenger to summon the

called person to a telephone. This will involve a small additional charge to defray the expense of the messenger. Also, at your request, the operator, at no additional charge will make an appointment with the called party so that you can talk at a specified time.

**SPECIAL RATES** for both Station-to-Station and Person-to-Person calls are in effect every night from 6 P. M. to 4:30 A. M. and all day Sunday. These rates are lower than corresponding week-day rates on calls for distances of about 50 miles or more. The minimum reduced rate is 35 cents for Station-to-Station calls and 50 cents for Person-to-Person calls.

**REVERSAL OF CHARGES** is permitted on both Person-to-Person and Station-to-Station calls without extra cost except on Station-to-Station calls of 20 cents or less for the initial period, which take a higher rate when sent collect.

**TO OBTAIN SPECIFIC RATE INFORMATION** on any of the foregoing services, call "Long Distance." To obtain charges on a call at the close of a conversation, notify the Long Distance operator when you place the call.

**REGULATIONS AND TARIFFS.** The Telephone Company furnishes all of its various services and adjuncts thereto, subject to its published regulations and tariffs, a public file of which is located in the local Business Office. A representative of the Company will gladly lend assistance in securing information from such regulations and tariffs.
